Future Land Use Map — City of Loganville

Applicant's Request

The applicant is seeking to annex this parcel as part of a larger, 71.05-acre tract that the applicant is seeking to develop a mixed-use project with 99 single family homes, 60 townhomes, and 24,000 square feet of commercial / retail space.

Existing Conditions

There is a 1,272-square-foot residence on the property that was built in 1946, according to County tax records. The property also has a barn, shop and lean-to.

Impact Analysis / Recommendation

What is the impact upon the overall appearance of the City and impacts upon aesthetic conditions of adjacent parcels? A 200+ acre tract was approved for a similar zoning in 2024 across the street from this proposed project. There are light industrial parcels and commercial properties to the south of the parcel.

What is the impact upon thoroughfare congestion and traffic safety? Annexations by themselves do not have an inherent impact on congestion and traffic safety, though going from a single-family house to a mixed-use development typically results in more traffic.

What is the impact upon population density and the potential for overcrowding and urban sprawl? Annexations by themselves do not have a direct impact on overcrowding and urban sprawl.

Is the proposed use consistent with the adopted Comprehensive Plan? The City of Loganville's Future Land Use Map has this parcel as being commercial.

What is the impact upon adjacent property owners if the request is approved? There would be no impact as an annexation does not change the character of the land itself.

What is the impact upon adjacent property owners if the request is not approved? None.

Recommended action: The parcel of land meets the requirements to be annexed into the City limits. *Recommendation is for approval of this annexation.*
