The Honorable Mayor and City Council
City of Loganville, GA

Dear Mayor Whitfield and City Council Members:

Localgov HR Solutions, LLC dba **Mercer Group Associates** is pleased to submit a proposal to assist the City of Loganville in the search for a new City Manager. Mercer Group Associates has extensive experience in conducting executive level searches for local governments, boards, and authorities nationwide. Mercer Group Associates is a consortium of professional consultants with specialized government experience, education, and training who provide executive search and management services. Localgov HR Solutions, LLC is a member of Mercer Group Associates and was incorporated in the State of Georgia to provide those services.

Mercer Group will partner with the City of Loganville to recruit a City Manager who has the technical qualifications necessary for success; who demonstrates supportive working relationships with elected officials, department directors, staff, and the public; and who promotes quality customer service while embracing the values of the Loganville community.

Mercer Group Associates understands the unique needs of local government and the importance of the City Manager role to your community. We will employ targeted, proactive search methods to deliver a selective, highly qualified applicant pool for the Loganville City Manager position. By developing a clear understanding of the city's unique needs, we will build a tailored recruitment plan that leverages specialized public-sector platforms, the Mercer Group Associates proprietary network of local government executives and professionals, and our proven sourcing methods. This approach allows us to engage both active and passive candidates - ensuring that the City of Loganville is in a position to select a City Manager from the best leadership talent available.

Mercer Group Associates is best positioned to help the city in its search for a City Manager by virtue of our extensive experience in Georgia conducting similar searches. We have averaged 15 executive level searches per year over the last three years for local governments across the State of Georgia. The assigned Mercer team is based in the Athens, GA area and brings decades of upper-level Georgia local government management and human resource experience to your search. The following is a partial list of city and county manager/assistant searches we have successfully conducted representing a wide range of **Georgia** communities:

Cities: Columbus, Newnan, Adel, Tucker, Roswell, Bainbridge, Flowery Branch, Lawrenceville, Hinesville, Jesup, Madison, Social Circle, Valdosta, Richmond Hill, Tifton, Valdosta

Counties: Bryan, Barrow, Bryan, Glynn, Hall, Liberty, Thomas

Alan Reddish and I will be the Mercer Group Associates team assigned to your search. Our biographical information is included below for your review. Mr. Reddish will serve as the Senior Project Advisor ensuring delivery of all critical elements of the search, evaluating qualifications of applicants, interacting with City of Loganville leadership as needed, and assisting with coordination of candidate interviews. I will be the Project Manager in support all aspects of the search and will be your primary contact. This national search will be supported by the Mercer Group Associates consortium of consultants which has assisted communities nationwide with over 2,200 executive level searches. This network and national experience are important assets for attracting and encouraging highly qualified candidates to consider the Loganville City Manager opportunity.

Included in this proposal for your consideration is an overview of our firm and project team, scope of services, project timeline, guarantees, and fee structure, as well as our Professional Services Agreement. We look forward to working with the City of Loganville on this important project. If you have any questions concerning our proposal, please contact me at (706) 371-6126 or jeffhale@localgovhrs.com.

Sincerely,

A handwritten signature in black ink that reads "Jeff Hale". The signature is written in a cursive, flowing style.

We are fully committed to the continued delivery of services on-time, on-budget, with highly effective, workable outcomes that build organizational health. We will provide the City of Loganville with no less.

Firm Overview and Project Team

Alan Reddish specializes in executive search for Mercer Group Associates and will serve as the Senior Project Advisor for this search. He focuses his work on the State of Georgia having completed an average of 12 to 15 Georgia local government executive searches per year since 2017. Mr. Reddish will serve as the Senior Project Advisor ensuring delivery of all critical elements of selected search services, evaluating qualifications of all applicants, interacting with city leadership as needed, and assisting with coordination of candidate interviews.

Mr. Reddish has over 35 years of experience as a local government manager serving as Manager in three Georgia communities, most recently retiring as Manager of the Unified Government of Athens-Clarke County after 15 years of service. In that capacity Mr. Reddish was responsible for an operating budget exceeding \$190 million, 1700 employees, and three capital programs totaling over \$500 million. During his tenure as Manager, Mr. Reddish conducted many national searches to recruit and hire a professional team of department directors to ensure efficient delivery of services to the Athens-Clarke County community of 123,000, which is home to the University of Georgia.

Mr. Reddish's professional career also includes three years of service as the Associate Director of the Carl Vinson Institute of Government at the University of Georgia. In that role he was responsible for the management of faculty and support staff that delivered 500 training and professional development programs annually to local and state government officials throughout Georgia.

Mr. Reddish holds a Bachelor's degree in Political Science from the University of Georgia and a Master's degree in Public Administration from Troy State University. He received the first Pillar of the Profession Award from the Georgia City/County Management Association which annually recognizes a person that has demonstrated a sustained commitment to personal and professional development along with mentoring, coaching, and counseling peers and other local government officials.

Firm Overview and Project Team

Jeff Hale is a Senior Associate with Mercer Group Associates and will serve as the Project Manager for this search. As an experienced Human Resources professional, Mr. Hale led recruitment and retention efforts throughout his 16-year tenure with the consolidated city/county government in Athens, GA, with over 1,700 employees in a community of over 128,000 and home to the University of Georgia. He served as the HR Director for seven years as a key member of the management team over government-wide human resources and risk management. Mr. Hale is an accomplished HR executive who has successfully led large, complex initiatives across a wide range of HR functions and brings a service orientation to every project. Mr. Hale has experience working closely with city management and understands the necessary expertise, traits, characteristics, and problem-solving approaches that predict success in the critical and complex role of City Manager.

Mr. Hale has led and participated in a wide variety of successful executive searches throughout his career. With Mercer Group Associates, he has demonstrated a keen ability to identify highly qualified candidates, build rapport, and communicate client needs to ensure a selective pool of applicants who might not otherwise have applied. Mr. Hale has recently helped the Town of Edenton, NC place a new Fire Chief, the City of Jacksonville, NC place a City Attorney, Greensboro ABC, NC find an Assistant General Manager, the City of Boca Raton, FL recruit a new City Manager, the City of Athens, AL find a highly qualified Public Works Director and has been integral in Police Chief selections in Minnesota, as well in CEO, Director, and CFO placements for local government risk management associations in Colorado, Kansas, Kentucky, and Nebraska.

Mr. Hale has a master's degree in American Government and Public Law from the University of Georgia and a bachelor's degree in political science from Knox College in Galesburg, IL. He has maintained professional certifications to include the SHRM-CP designation and Certified Human Resources Manager from the University of Georgia's Carl Vinson Institute of Government.

Scope of Services

Engaging Mercer Group Associates ensures that the new City Manager will be selected through a thorough, objective national search process. The Scope of Services described below will ensure that the search process is on time, within budget, and produces the best available pool of talent for consideration by the city. Leveraging Mercer's experience and reputation in executive search services builds further confidence in the integrity of the recruitment and selection process, supports equal opportunity, and provides independent professional expertise.

Position Analysis

Our process begins with understanding as we first conduct a position analysis to identify the specific KSAs, traits, characteristics, and background that will define success for the new City Manager. Mercer will review key documents and conduct individual interviews with the Mayor and Council Members and other identified stakeholders to learn about the historical and organizational context of the position; organizational needs; issues, challenges, and opportunities; as well as the preferred communication, management, and leadership styles needed in the new City Manager.

Mercer will build a highly customized profile that reflects this unique opportunity with the City of Loganville. The profile will form the basis of our recruitment efforts and will highlight your community's quality of life, resources, and attractive amenities to make a compelling case for talented professionals to consider joining your team. We will engage the marketplace of active and passive job seekers through our ever-growing national network and through targeted channels for reaching prospective candidates.

Deliverables:

- Position Analysis: interviews with leadership and stakeholders: analysis of the job description, total compensation, budget and resources, and other relevant documents
- Customized Recruitment Brochure to be approved by the city

Recruitment - The Mercer Network

Mercer will actively and continuously market the City Manager opportunity over a 30-day recruitment cycle, reaching qualified candidates nationwide but with a sensitivity to those with local, state, and regional qualifications. Mercer will make direct contact with hundreds of City/County Managers and Assistant/Deputy Managers, as well as other upper-level local government professionals to market the City of Loganville's City Manager opportunity.

We will contact potential applicants in our extensive network while identifying additional candidates based on the unique needs of the City of Loganville. Our recruitment plan will include advertisement on specialized national, state, and local websites, as well as with appropriate professional associations, newsletters, and listservs. Mercer places a premium on advertising and individual outreach efforts that invite professionals of all relevant backgrounds and characteristics to apply. We believe those efforts serve to strengthen organizations and the communities they serve.

Deliverables:

- Recruitment Plan identifying targeted recruitment channels and job site postings
- A pool of highly qualified applicants available in the current market who meet the specific needs of the City of Loganville

Candidate Screening

Mercer will assess the technical background, experience, education and training, management and communication styles, professional goals, and personality traits of applicants through their application materials, telephone and/or video interviews, and preliminary internet checks.

Mercer knows you are looking for a long-term employment relationship with a professional who will embrace the City of Loganville and your organizational values. We will also seek those who are most suitable for your specific role and organizational culture.

Mercer will receive, track, and evaluate applications to identify a short list of candidates who most closely match position profile criteria. We will keep applicants well informed of the status of their applications and appropriately keep applicants of interest engaged.

Mercer will present our recruitment efforts, a summary of the resulting applicant pool, and information known to date about our identified short-list of candidates.

The City of Loganville will make all employment decisions with respect to applicants throughout the selection process beginning with the approval of a semifinalist list from a shortlist of candidates developed by Mercer. Mercer will then conduct initial background screening for those selected candidates to prepare them for a potential on-site interview. The deliverables below describe information that will be provided to City to aid you in the approval of the semifinalist list of candidates.

Deliverables:

- Recruitment Summary, Applicant Summary
- Candidate summaries, application materials, one-way video interview responses for a short list of promising candidates.
- Mercer insights to date into candidate backgrounds, goals, readiness, and motivations

Background Screening

Mercer will conduct limited background screening of each semifinalist candidate selected by the city for on-site interviews. Mayor and Council Members, and other designated interview panelists selected by the city, will benefit from Mercer's preview of candidate backgrounds, goals, strengths, opportunities for development, motivations, and other information in the form of a written report. This report, along with previously gathered information will further describe candidate qualifications and suitability allowing panelists to be fully informed and prepared for the interview process.

Deliverables:

- Verification of employment and academic credentials; preliminary third-party criminal and motor vehicle records checks and credit checks; Mercer conducted reference checks and social media/internet reviews
- Candidate Background Reports

Onsite Interviews

Mercer will coordinate an interview process that best meets the needs of the city. The interview panel(s) may include subject matter experts and additional stakeholders as designated by the city. Mercer will facilitate interviews and participate in the interview process at any appropriate level as directed.

Mercer will provide suggested customized interview questions to ensure equal opportunity, to gain quality information for decision-making, and to support a job-related and defensible interview process. Mercer employs a competency/behavioral based interview approach. Questions will be designed to assess a candidate's past behaviors and experiences to gauge their ability to perform the specific competencies of the Loganville City Manager position. Our team will provide interview guidelines and best practices and will be on site to support an effective interview process. Mercer will facilitate post interview discussions with the panelists, provide observations and insights about candidates, and communicate to candidates as to their post interview status.

Deliverables:

- Interview scheduling, coordination, and facilitation of interviews
- Guidelines and briefing of interview panel(s) on best practices and compliance
- Customized competency/behavioral based interview questions
- Facilitation of post interview panel discussions with Mercer observations and insights

Negotiations

At the city's request, Mercer will provide support for the negotiation of salary, benefits, and other conditions of employment for the selected candidate. Final approval of all terms and conditions of employment and the execution of any employment agreement rest with the City of Loganville. If an employment agreement with the selected candidate cannot be negotiated, Mercer will work with the city to select an alternate candidate. The selected candidate is subject to City of Loganville final and official background checks, and any other conditional offer requirements of the City Manager position in accordance with city policy and procedure. All such information should be fully reviewed and approved by the hiring authority prior to a final offer of employment.

Project Timeline

Mercer will develop a project calendar for city approval with specific target dates and the goal of a City Manager selection within 90 days from date of notice to proceed. Such calendar approval and commitment will mitigate the risk of scheduling conflicts and delays. Mercer will provide timely responses and communications throughout the project and will depend on the same from the city to meet approved target dates. The major project activities and estimated days for completion are listed below. However, the calendar will remain flexible in order to meet the city's specific procedural and calendar needs, as well as to reduce the timeline when both possible and advisable.

1. Position Analysis/Interview Stakeholders:	14
2. Marketing Material Development and Recruitment Process:	40
3. Application Review & Candidate Screening:	10
4. Candidate Background Screening:	21
5. Interview/Selection Process:	3
6. Follow-up/Negotiate Employment Agreement:	2

Total: 90 days

Mercer Guarantees and Fee Structure

Mercer Guarantees

Mercer Group Associates enjoys a hard-won reputation for excellence, professionalism, and the highest integrity. We are committed to the highest standards required of those of us who serve and have served in local government. We maintain that reputation in part by providing the following assurances:

- If there is not a suitable candidate in the developed applicant pool, Mercer will conduct an additional search (one-time only) and will charge the city only for the cost of additional expenses.
- If the candidate selected, hired, and onboarded leaves for any reason (including termination) during the 12-month period following the date of employment, Mercer will conduct an additional search (one-time only) and will charge the city only for the cost of additional expenses required to make the new placement.
- Mercer will not recruit candidates from the city staff for two years from the date of hire of the selected candidate without the approval of the Mayor and Council or other designated authority.
- Mercer will never recruit a candidate we placed as long as they are employed by the city without the approval of the Mayor and Council or other designated authority.

Mercer Guarantees and Fee Structure

Fee Structure

Mercer will provide executive search services as described above for a base fee of \$18,000.00 (eighteen thousand dollars). The base fee is invoiced in thirds with the second and third billing inclusive of any reimbursable direct costs as follows:

- One-third of the base fee (\$6,000.00) at the time notice to proceed with the search is issued, usually in the form of Mercer Group Associates executed Professional Services Agreement (see “Attachment A” as included below and as inclusive of the Scope of Services described above).
- The second third (\$6,000.00) of the base fee and initial expense reimbursement when applications are closed and Mercer provides a recommended list of semi-finalists to the City to be approved for more intensive review by Mercer; and
- The final third of the base fee (\$6,000.00) and final expense reimbursement when interview packages for the semi-finalists approved by the city are delivered to the city and interview dates are established by Mercer in coordination with the city.

Direct Cost Reimbursables

Costs for direct expenses for reimbursement will not exceed \$4,900.00 (four thousand nine hundred dollars) without the written approval of the city. Direct expenses may be incurred for marketing material design, advertising, initial third-party background checks, customary expenses for consultant travel, and other reasonable incidentals. The costs for candidates to travel to Loganville for interviews or other reasons approved by the city are not included in the Professional Services Agreement but may be reimbursed by the city directly to the candidates selected for interviews.

Working with Loganville staff and other resources, a similar brochure that describes the position and Loganville community will be developed.

Inviting Applications for

CITY MANAGER

of Valdosta, Georgia

VALDOSTA
A City Without Limits

About the City

The City of Valdosta is a unique community, blending its historic past with a dynamic and high growth environment, coupled with a diversity to give it economic viability and strength. In 1860, Valdosta was incorporated as the new county government seat. With a population of 166 people, Valdosta thrived as the county government seat of Lowndes County and the inland capital for Sea Island cotton.

During the city's first 10 years, it grew 622 percent to a population of 1,999. Valdosta has seen explosive growth in the most recent decade and is now approaching a population of 60,000. The determination of the little town that moved to the railroad is still evident in today's city as it works toward a prosperous future. Valdosta provides a healthy, vibrant, safe environment where residents live, work, and play in a diverse community that values families and neighbors. Valdosta-Lowndes County is a thriving community with an economy balanced for growth, where wages are increasing at a healthy pace yet cost of living and business costs remain competitively low. Valdosta residents enjoy the scenic rural area of South Georgia along with a variety of urban shopping choices, dining, arts, and entertainment. Valdosta serves as the cultural, medical, and commercial hub for eleven South Georgia and north Florida counties.

About the Government

The City of Valdosta operates under a Council/Manager form of Government. The Valdosta City Council is composed of a mayor and seven council members who serve four year staggered terms. The city is divided into six single-member districts and one at-large district. The Mayor/Council is charged with setting policy, approving budgets, and other legislative duties such as adoption of ordinances.

The Mayor/Council appoints the City Manager who works at the pleasure of the Council and is responsible for the daily operations of the city with 600 employees. Department heads are selected by and report to the City Manager. The City Manager is responsible for implementing the annual operating budget (currently \$124 million) as approved by the Mayor/Council.

City Awards

- 2022 GMA Visionary Award Winner for Unity Park Amphitheater
- 2022 APWA Award for "Valdosta On-Demand Transit"
- Named one of Georgia's first "Cities of Excellence" for being one of the state's "best managed and most livable cities" for quality-of-life

About the Position

The City Manager is the Chief Administrative/Executive Officer and is responsible to the Mayor and Council for the administration of all city affairs as required by the charter.

- Manages activities of city departments by assigning priorities and objectives to department heads and professional staff; reviews/approves management reports regarding department and administrative activities.
- Oversees the preparation and administration of the annual city budget; prepares and presents an annual balanced budget to the Mayor and Council.
- Oversees the preparation of the agenda and related documentation for meetings of the Mayor and City Council. Prepares an annual report of the city's accomplishments and awards.
- Provides leadership and direction in the development of short- and long-range plans; gathers, interprets, and prepares data for studies, reports, and recommendations for decision-making purposes.
- Oversees the implementation of policies as adopted by the Mayor and City Council.
- Provides professional advice to the Mayor and City Council; provides direction to department heads.
- Attends and represents the city at local, regional and state meetings regarding policies and issues that impact the city; serves as the city's representative on a variety of boards and authorities; represents the city to a variety of state government entities.
- Communicates official plans, policies and procedures to staff and the general public; represents the city before the news media.

The Ideal Candidate

The ideal candidate will be an ethical, approachable, and open-minded leader who adopts progressive strategies and embraces positive change, while applying local government best practices proven effective in communities comparable to Valdosta. This individual will possess the capability to collaborate effectively with the Mayor and Council to define and implement a community-supported vision that upholds the city's values and fosters responsible growth.

The ideal candidate should be confident, energetic, and able to build trust with citizens. Valdosta seeks a professional City Manager who can help the Mayor and Council address community challenges effectively and compassionately.

The ideal candidate will be an attentive listener with excellent communication abilities who can interact positively with the business community, citizens from diverse backgrounds, and Valdosta's leadership team to foster trust and transparency within the city.

The ideal candidate will maintain a consistent visible presence within the community to foster strong working relationships with key stakeholders, including Lowndes County government, Moody Air Force Base, the Valdosta City School Board, Valdosta State University and South Georgia Medical Center.

CHALLENGES & OPPORTUNITIES

- The new Manager will be expected to develop a collaborative working relationship with the Mayor and Council that is defined by transparency, continuous sharing of information concerning government operations, regular interactions with Council members to gain understanding of specific district needs, and a willingness to develop and champion challenging recommendations for positive change. Roles and responsibilities of the Manager and of the Mayor & Council as defined by the charter must be valued, respected, and modeled by the Manager while encouraging elected officials and staff to do the same. The Manager is expected to uphold and defend the charter-defined roles of both the Manager and the Mayor & Council, while also encouraging elected officials and appointed staff to respect these same roles and responsibilities.
- The new Manager will need to focus on community transportation, pedestrian travel ways, and chronic stormwater needs with special attention given to downtown Valdosta and older residential areas of the city that have not been prioritized in the past. He/She will be expected to work with transportation partners to expedite actions for rerouting commercial traffic from the downtown area and construction of identified railroad overpasses to improve traffic flow.
- There are several major capital improvements projects that will need to be high priorities for the new Manager's work plan. Among those are: design and construction of collector roadways and interstate connection improvements being funded by the T-SPLOST program; completion of a new south side water treatment plant currently under construction along with a planned new wastewater treatment plant funded by revenue bonds; a multi-generational recreational facility; installation of a new water metering/billing system, and possible expansion of the Rainwater Conference Center.
- The City is in the final stages of completing an employee compensation study to address pay inequities and to ensure that the city can recruit and retain a quality workforce. The new Manager will be responsible for helping to manage employee expectations regarding the outcomes of the pay study and develop an implementation strategy that aligns with the city's available funding.
- The new Manager will be expected to foster an inclusive, high-performing organizational culture by building trust with employees, recognizing the expertise of existing staff, and clearly defining expectations for accountability, performance, and professional conduct. Emphasis will be placed on leadership development, succession planning, and maintaining a workforce that reflects the community it serves while delivering consistent, high-quality customer service.
- The Manager will be expected to provide leadership to address workforce housing needs by promoting strong partnerships with proven housing providers such as Habit for Humanity and the local landbank; expediting CDBG funded projects; utilizing federal tax credit programs and grants; and other housing best practices proven to be effective in other communities of similar size to Valdosta. Dilapidated/blighted houses and buildings should be addressed through consistent and objective enforcement of existing codes as well as possible housing code changes focused on utilizing more aggressive blight removal tools.

MINIMUM QUALIFICATIONS

- Bachelor's degree required in public administration, business administration, planning, economic development or related degree from an accredited college or university. A master's degree is preferred.
 - A minimum of five (5) years of managerial experience in a local government as a city or county manager, deputy manager; or as an upper-level executive manager in an organization with comparable complexities to the City of Valdosta. Any equivalent combination of education, training, and experience that provides the required knowledge and skills for the position will be considered.
 - Evidence of continued professional development such as ICMA Credentialed Manager designation, is a positive indicator of dedication to the profession and will be noted during the vetting process.
-
