Staff Report Department of Public Utilities

To: Honorable Mayor Baliles and Members of the City Council

Through: Danny Roberts, City Manager

From: Brandon Phillips, Director of Utilities

Date: May 11, 2023

Subject: Emergency Repair to Wilo Pumps

RECOMMENDATION:

Staff recommends that the City Council approve the repair of two Wilo pumps for Logan Point Lift Station by contractor Goforth Williamson.

FISCAL IMPLICATION:

The Utilities Department is requesting a do not exceed of \$70,000.00 with a 10% contingency to repair both Wilo pumps.

BACKGROUND:

The lift station has two pumps, and both are currently out of commission due to catastrophic failure. While one pump was being repaired, the other pump failed as well. We are currently operating this pump station on an emergency by-pass pump. One pump is scheduled to be repaired and back operational within two weeks, while the other pump lead time is unknown.
