Re: Monthly City Attorney Services for the City of Loganville;
Notice of Change in Firm

Dear Mayor Baliles,

As you and I have discussed, there are upcoming changes to the structure of my law firm just around the corner. Effective May 1, 2024, I and my team will be leaving Preston & Malcom, P.C. and will begin practicing with Rosenthal Wright, LLC, a newly created law firm that will continue to operate out of downtown Monroe. Joining me at Rosenthal Wright will be my entire team that you, the council and City staff regularly work with on a daily basis for all of the City's legal needs. Donnie Wright, Esq. will join me as partner. Russell P. Preston, Esq. will join me as Of Counsel, and Kaitlin Garcia and Jenna Sweeney will round out our team as our firm paralegals.

In short, the team that you know and love will continue to be available to handle all the legal needs of the City of Loganville as your City Attorney. We will simply just be operating under a new name with a narrowed focus of municipal law files such as the City of Loganville's and some limited other matters we will be handling.

The City Attorney for the City of Loganville serves at the pleasure of the Mayor and Council pursuant to the City's Charter Section 4.12. If you and the Council deem it best for me and my team to continue to serve the City of Loganville as City Attorney moving forward, I would ask that you take up this matter at your April 11, 2024, Regular Meeting of the Mayor and Council. A Motion to appoint

Rosenthal Wright, LLC as City Attorney with an effective date of May 1, 2024 will allow us to continue to serve the City.

Our prior fee arrangement with the City will continue to be honored by our new firm through the end of the City's FY 2023-24. If you have any questions on this matter or wish to discuss this matter further please do not hesitate to call me any time.

Thanks again for trusting me and my team with the City's legal needs. I hope that we can continue to work together for the betterment of Loganville for many years to come.

Sincerely,

Paul L. Rosenthal, Esq.
