Subject: Ashton Manor Stormwater Repair - Emergency

RECOMMENDATION: Approval of the invoice from Matthew Development Corp. for the emergency repair of a 42-inch stormwater pipe.

FISCAL IMPLICATION: The repair cost is covered by the Enterprise's unrestricted fund balance, line item 505-4320-522205.

BACKGROUND: Installed in the early '90s, the Ashton Manor stormwater system has experienced erosion at the catch basin, leading to a significant sinkhole. This caused partial road collapse. A pre-approved contractor, Matthew Development Corp, responded promptly and commenced pipe replacement.
