Letter of Intent for Rezoning of Property from Residential to Commercial

Dear City of Loganville,

I am writing to express my intent to apply for the rezoning of my property located at [Property Address], from its current Residential zoning classification to a Commercial zoning classification. This letter serves as a formal request to initiate the rezoning process, and I am prepared to follow through with all necessary steps and comply with local zoning laws and regulations.

The property in question is currently zoned as Residential. However, due to its strategic location I believe that rezoning it for commercial use would not only be in my best interest but also serve the community and local economy. The intended commercial use of the property is to provide two services, one is a residential cleaning service and the other is a home renovation company, both of which I believe will complement the area's development and meet the needs of the local population.

In conclusion, I respectfully request that the Planning Department consider my application for rezoning the aforementioned property from Residential to Commercial. I believe that this change will not only benefit my proposed business venture but also contribute positively to the community and local economy. I look forward to the opportunity to discuss this proposal further and am available at your convenience for a meeting or to provide additional information as required.

Thank you for considering my request. I am eager to contribute to the growth and development of our community through this initiative.

Sincerely,

Terry Clayton
