To: All Georgia Court Judges and Clerks:

The Office of Research and Data Analysis wishes to inform you that the Judicial Council's Standing Committee on Judicial Workload Assessment recognizes your court as a Clearance Rate Excellence Award recipient. Congratulations on this remarkable achievement!

The Clearance Rate Excellence Award recognizes the top 10% of courts in each class of court that demonstrate exceptional performance in maintaining clearance rates, a key indicator of a court's ability to effectively manage its caseload. Clearance rates are calculated by dividing the number of disposed cases by the number of filed cases and expressing the result as a percentage. Cases not disposed of in a timely manner contribute to a backlog of cases awaiting disposition. A clearance rate of 100% or higher demonstrates a court ability to resolve at least as many cases as were filed each year.

Your court's outstanding performance in meeting or exceeding 100% or better clearance rate has distinguished itself amongst its peer courts. This achievement reflects your court's dedication, efficiency, and commitment to ensuring the timely resolution of cases.

Thank you for your participation in the annual caseload reporting project and your courts continued efforts to improve the administration of justice in all Georgia Courts through collaboration, innovation, and information.

Sincerely,

The Office of Research and Data Analysis
