Robbie,

After further discussion with the Smith Douglas teams, we have decided to only ask for the beauty strip to be removed on lots 12 – 46 as depicted on the attached site plan.

Please let me know if you need any further documentation to complete this amendment for the variance application prior to the next council meeting.

Also, please update me on when the next work session and council meeting will be held.

Thank you,

David Schmid, CPESC
Land Development Manager
