

LOGANVILLE FIRE DEPARTMENT

Chief Timothy Johnson
4303 Lawrenceville Rd.
Loganville, Ga. 30052
Tel:(770)-554-9693 Fax: (770)-676-0612

To: Honorable Mayor Skip Baliles and Members of the City Council

Through: Danny Roberts, City Manager

From: Timothy Johnson, Fire Chief

Date: June 18, 2024

Subject: Purchase of 2024 Ford Explorer from Wade Ford (State Contract pricing)

RECOMMENDATION:

Staff recommends the City Council approve the authorization for purchase of a 2024 Ford Explorer from Wade Ford under the State Contract pricing and up fitting of lights, MDT, and graphics not to exceed \$53,000.00.

FISCAL IMPLICATION:

This request will be purchased from 2019 Walton County SPLOST.

BACKGROUND:

The Fire Department has admin vehicles that are relied on a daily basis between multiple staff and multiple job functions. Currently we do not have any spare vehicles should one have to be placed in the shop for an extended period of time. One of our current admin vehicles is a 2005 Ford F-150 that is being depended on every day. This vehicle responds to emergency calls when needed and is assigned to the Fire Chief. The purchase of this 2024 Ford Explorer is to replace that vehicle. This will allow us to have a spare vehicle to utilize for going to classes on duty and also a back up if one of our frontline vehicles go into the shop for multiple days.

DISCUSSION:

Approval of purchase of a 2024 Ford Explorer from Wade Ford under State Contract pricing to include the cost of up fitting the vehicle with emergency lights and graphics not to exceed \$53,000.00.

Fuel Economy
Standard SUVs range from 13 to 102 MPG. The best vehicle rates 140 MPGe. Values are based on gasoline and do not reflect performance and ratings based on E85.

You spend more in fuel costs over 5 years compared to the average new vehicle.

Fuel Economy & Greenhouse Gas Rating (tailpipe only) Smog Rating (tailpipe only)

Actual results will vary for many reasons, including driving conditions and how you drive and maintain your vehicle. The average new vehicle gets 28 MPG and costs \$9.750 to fuel over 5 years. Cost estimates are based on 15,000 miles per year. Fuel economy is measured in miles per gallon equivalent. Vehicle emissions are a significant cause of climate change and smog.

Important Notes

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.
