Overview / Background

Gear West has submitted an application to hold the Corn Days 5K Run/Walk event in conjunction with the Corn Days festival on Saturday, August 8, 2026 based at the Church of St. George located at 133 Brown Road N. The 5K run route remains unchanged from last year's event and would travel through largely Long Lake streets and neighborhoods, with a short segment falling in Orono limits as well.

Same day registration and number pickup on the date of the event would begin at 7:30 am at the Church of St. George. The 5K run would begin at 9:00 am, departing from the Church grounds and traveling a route through Long Lake and Orono neighborhoods to finish back at the Church. Following the 5K, a Candy Corn Kids Fun Run would take place on the Church of St. George property.

A site map depicting the 5K run route was submitted along with the Special Event Application, attached to this report. Staff is requesting the Council consider adoption of a Resolution approving issuance of a Special Event Permit for the Corn Days 5K Run/Walk, subject to the conditions recommended in the permit approval letter.
