

Meeting Date: November 13, 2023

Subject: Dark Skies Ordinance

Prepared by: Tania Katbi, Sustainability Coordinator

Background

On October 24, 2023, the City Council discussed the potential of adopting a Dark Skies Ordinance that would preserve the nocturnal environment in Los Altos. The City Council voted that the Environmental Commission assist City staff in exploring dark skies policies and bring back findings to Council for further review.

Discussion

Staff to discuss and define the Commission's role and facilitate the formation of an Ad-Hoc Subcommittee.
