Dear Council Members and City Manager Engeland

I noticed that Item #13 is informational only.

Many residents would like to see the questions as well as the recommendations from Godbe.

Does this item need to be agendaized to have a discussion ?

If yes, please add this to a future agenda

Thank You

Roberta Phillips

Council Members:

I was pleased to see the results of the Godbe survey posted. However, I don't understand what "simplifying the existing utility users tax structure" means.

I've submitted a PRA request for the survey questions, which will provide more info, but I'm hoping residents will see/hear more details soon. At this point, it doesn't seem like there's strong support for increasing the utility tax (if that was the question) or for a new police building (if that was even asked).

Thanks,

Pat Marriott
