Summary:

At the beginning of each term, the Mayor of Los Altos annually appoints Councilmembers to serve on local, regional boards and Council committees and commissions. The Council is provided with a list of all local and regional boards/committees/commissions and they indicate their preference for serving and upon completion, they then return their preference list to the City Clerk, who forwards the list to the Mayor. The Mayor reviews the preference lists and creates Council assignments based on the feedback received from the remaining Councilmembers.
