Re: December 5, 2024, Meeting, Agenda Item #3 (420 S. San Antonio Rd.)

Dear Chair Beninato and Members of the Planning Commission:

The League of Women Voters (LWV) supports policies that encourage the development of housing, particularly affordable housing.

The League supports the project proposed for 420 S. San Antonio Road, which has twenty multi-family residences, including below-market rate units (BMR). We are pleased to see the housing units as well as the office space on the first floor, as both may help revitalize that end of San Antonio Road.

Please send any questions about this email to Sue Russell, Co-Chair of the Housing Committee, at housing@lwvlamv.org.

Sincerely,

A handwritten signature in blue ink that reads "Katie Zoglin".
