SUBJECT: **Commission Booth at the Farmer's Market**

RECOMMENDATION:

Discuss what the PARC Commission will do at the upcoming Farmer's Market booth

BACKGROUND

The PARC Commission representative for the Farmer's Market booth has reached out and secured two dates to host a table at the Farmer's Market in 2025. It is typical that city commissions provide information to the public or receive input from the public on parks or arts focused topics when hosting these booths.

The commission will discuss what strategies will be used to draw people to the booth and work with staff on the focused topic(s) for the first date, June 12, hosting.
