

Land Acknowledgement

In the Civic Center

What is a Land Acknowledgement?

- ▶ Part of a process of reconciliation with Native American tribes in the United States
 - ▶ Recognizes that Indigenous People had a long-term, legitimate, and important right to land
 - ▶ Acknowledges that local tribe(s) lost access to their land in a process that was not fair and equitable
 - ▶ Thanks them for stewardship of the land and their continued presence in the area
 - ▶ Further reading: <https://nativegov.org/news/a-guide-to-indigenous-land-acknowledgment/>
