Subject: Resolution 2022- __: Authorize the City Manager to accept the grant funding from the State of California in the amount of up to \$44,027 to be used for SB 1383 outreach and education in the next two fiscal years

Summary:

- In September 2016, Governor Jerry Brown signed into law SB 1383 organic waste diversion regulations, and in November 2020, the California Department of Resources Recycling and Recovery (CalRecycle) finalized SB 1383 regulations.
- SB 1383 requires the City to adopt an enforceable ordinance(s) that requires businesses and residents to recycle their organic waste and comply with other requirements of the regulation.
- In November 2021, the City of Los Altos Municipal Code was updated to include requirements to comply with the State’s goal of reducing organic waste disposal by 75% by 2025.
- In November 2021, the City of Los Altos Municipal Code was updated to include an ordinance to recover edible food to comply with the State’s goal of reducing edible food disposal by 20% by 2025.
- The Department of Resources Recycling and Recovery (CalRecycle) is administering a one-time grant program meant to provide aid in the implementation of regulations adopted by CalRecycle pursuant to Chapter 395, Statutes of 2016 and SB170 Budget Act of 2021. This non-competitive grant program provides funding to local jurisdictions to assist with the implementation of regulatory requirements associated with SB 1383.
- In January 2022, the State of California invited all jurisdictions in California to apply for a Local Assistance Grant for SB 1383 implementation. The City applied and was granted the funds. The State increased the funding amount from an estimated \$41,038 to \$44,027.

Staff Recommendation:

Adopt Resolution 2022- __ authorizing the City Manager to accept the CalRecycle Local Assistance Grant
