

WATERSHED WATCH
EARTH DAY
POSTER
CHALLENGE

MAKE A SPLASH AND SHOW US YOUR SKILLS!

Enter the Watershed Watch Earth Day Poster Challenge to share your vision for clean waterways in Santa Clara Valley. Winners from each grade bracket will receive cash prizes, \$250 for first place winners, and \$150 for second place winners, and have their art featured to promote water pollution prevention.

ENTER BY EARTH DAY, APRIL 22, 2022

Choose one of the following questions to respond to in your poster:

- Why are local waterways (creeks, rivers, lakes) important to you?
- How can you prevent water pollution?

Explore www.MyWatershedWatch.org for inspiration!

The contest is open to K-12 students residing in Santa Clara County. Entries will be judged and awarded in three brackets:

- K – 5th grade
- 6th – 8th grade
- 9th – 12th grade

Artwork will be judged on originality, clarity and expression of theme.
