

TO: Parks, Arts, Recreation, & Cultural Commission

FROM: Manny A. Hernandez, Parks & Recreation Director

SUBJECT: **Art Inventory and Brochure**

RECOMMENDATION:

Former Committee will present information on updates to the City public art inventory and the PARC Commission will discuss the plan for the art brochure

BACKGROUND

The Public Art Brochure has not been updated in several years. With the change-out and conclusion of public art ending, there are several updates that need to be made to the art inventory list and the Art Brochure. An update to the inventory list will make it possible to properly update the brochure, which is a product that is directly used by the public. The update to the art inventory will also make it possible to assess what art spaces are vacant and can be considered for the next Art Without Walls call for art.

Commission Chair Janet Corrigan has made updates to the art inventory and will review with the commission. The Commission will also discuss the next steps for updating the Public Art Brochure.
