Subject: Public Comment - Agenda Item #8 - Council Meeting October 25 2022
Date: Tuesday, October 25, 2022 6:13:49 PM

A person's right to control their own body, their own life, and their own health is supremely important. No government official or entity should be involved in any decision related to a person's health, body, reproduction, or contraceptive choices.

I urge members of the City Council of the City of Los Altos to support the Resolution in Favor of Prop 1.

Thank you,
Brigid Madden
