### **Discussion/Analysis**

The building and property at Woodland Library are owned by the City and the library itself is operated by Santa Clara County Library District. At the June 23, 2022 meeting, the PAC formed a subcommittee of Chair Waldman and Commissioners Corrigan and Moore to look at bringing additional exterior artwork to Woodland Library and to work with the Library Commission and other stakeholders, as appropriate. At the July 28, 2022 meeting, the PAC provided feedback to the subcommittee to wait until the Library Commission has formulated a plan for the area and determined that public art is appropriate for the space.
