Re: February 27, 2025, Study Session, Agenda Item #1
(Rezoning Options of Sherwood Triangle Area)

Dear Chair Beninato and Members of the Planning Commission:

The League of Women Voters (LWV) supports policies that encourage the development of housing, including rezoning commercial to residential or mixed use.

The League supports the staff recommendation to rezone the Sherwood Triangle to Commercial Thoroughfare (CT) from Commercial Neighborhood (CN). That change would allow mixed use or all residential development of those parcels. This rezoning should encourage construction of housing, which would help Los Altos meet its Regional Housing Needs Assessment (RHNA) goals.

Please send any questions about this email to Sue Russell, Co-Chair of the Housing Committee, at housing@lwvlamv.org.

Sincerely,

Katie Zoglin, President
Los Altos-Mountain View Area LWV
