

**ORDINANCE NO. 2024-XX**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LOS ALTOS ADDING CHAPTER 2.30 ELECTRONIC SIGNATURES TO TITLE 2 ADMINISTRATION AND PERSONNEL OF THE LOS ALTOS MUNICIPAL CODE**

**WHEREAS**, in 1995, California passed Government Code section 16.5, authorizing public entities, including cities, to accept a “digital signature” for any written communication, so long as the digital signature meets certain requirements and complies with regulations adopted by the Secretary of State; and

**WHEREAS**, regulations adopted by the Secretary of State in 1998 require a public entity, before accepting a digital signature, to ensure that: 1) the level of security used to identify the signer of a document is sufficient for the transaction being conducted, 2) the level of security used to transmit the signature is sufficient for the transaction being conducted, and 3) any certificate format used by the signer is sufficient for the security and interoperability needs of the public entity (2 Cal. Code Regs § 22005); and

**WHEREAS**, in 1999, California adopted a version of the Uniform Electronic Transactions Act (UETA) in Civil Code sections 1633.1 to 1633.17, giving electronic signatures the same legal effect as manual or “wet” signatures; and

**WHEREAS**, UETA applies broadly to “any action or set of actions occurring between two or more persons relating to the conduct of business, commercial, or governmental affairs” (Civil Code, § 1633.2(o)) and transactions subject to UETA need not meet the specific requirements of Government Code section 16.5 and its implementing regulations (Gov. Code, § 16.5(e)); and

**WHEREAS**, the use of electronic signatures on legally binding documents has become increasingly prevalent in the private sector and is gaining prevalence among public agencies; and

**WHEREAS**, the benefits of allowing electronic signatures include reduced time, paper, and equipment costs associated with transmitting and approving physical documents; improved customer service and convenience to those performing transactions with the City; enhanced records management best practices; and the creation of an easily accessible audit trail for documents; and

**WHEREAS**, this Ordinance enables the use of electronic signatures on electronic records provided the signature is in accordance with UETA or Government Code section 16.5, as applicable and authorizes the City Manager or designee to determine the appropriate documents and technologies for which the City may use electronic signatures; and

**WHEREAS**, the City finds that the use of electronic signatures will allow the City to collect and preserve signatures on documents quickly and securely, will improve efficiency while saving costs associated with transmitting and approving physical documents, and will provide for better management of City records.

**WHEREAS**, the City Council held a duly noticed public meeting on March 12, 2024, and March 26, 2024; and

**WHEREAS**, this Ordinance is exempt from environmental review pursuant to Section 15061(b)(3) of the State Guidelines implementing the California Environmental Quality Act of 1970, as amended; and

**NOW, THEREFORE**, the City Council of the City of Los Altos does hereby ordain as follows:
