COMPLETE STREETS COMMISSION
2024 WORK PLAN

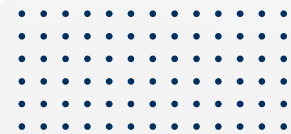

COMPLETE STREETS COMMISSION GOAL

To align its goals with the City Council's Strategic Goals for 2024:

- Safe Routes to School
- Annual Street Resurfacing

Implement the City's policies as expressed in the Complete Streets Master Plan to improve circulation, safety, and efficiencies, with an emphasis on improving Safe Routes to Schools.

GOALS

Complete Streets are planned, designed, and operated for safe mobility for all users...

CATEGORY	COMPLETE STREETS GOAL STATEMENT
Activity	Increase the share of people walking, biking, and riding transit to work to 10% by 2030 and 20% by 2040.
	Increase the share of students walking and biking to school by 10% by 2030.
Safety	Reduce the number of collisions in the community involving people walking, biking, and/or driving by 50% by 2030.
	Work to eliminate all collisions resulting in severe and fatal injuries by 2030.
	Reduce before and after traffic speeds and cut-through rates on projects aimed to address those issues.
Connectivity	Implement at least 10 high-priority projects by 2030.
	Decrease the number of gaps in pedestrian and bicycle networks by 50% by 2030.
Climate Change	Reduce the number of Vehicle Miles Traveled (VMT) per capita to meet the goals of the City's Climate Action and Adaptation Plan.
Community Input	Ensure all projects include pre- and post- engagement and evaluation with community members by 2022.
	Increase opportunities for community members to share additional feedback and insights on methods for improvement. Implement a feedback process by 2022.
Evaluation	Collect and publish multimodal transportation counts on arterials once every five years.
	Ensure all City sponsored transportation projects include before and after multimodal transportation counts by 2025.

NEW TRANSPORTATION DIVISION'S PERFORMANCE IN 2023 (OCTOBER – DECEMBER)

DEPARTMENT ACHIEVEMENTS IN TRANSPORTATION DIVISION

1. Reorganization of the department and division.
2. Award of On-Call contract for Transportation Engineering Services.
3. Three (3) new hires for the department.
4. Evaluation of Jardin Dr completed construction and determination to develop an improved design with extensive community engagement.
5. Three (3) concept plans prepared for review and comments- sent to Santa Clara Fire Department for review (end of December 2023).
6. Damaged RRFB at San Antonio Rd and Loucks Ave scheduled to be replaced with a fully operational, double sided LED, audible system.
7. Field inspection and evaluation of all Los Altos RRFB systems to determine locations in need of immediate improvements.
8. Response and improvements to outstanding resident complaints.
9. Response and meetings with schools seeking traffic operations improvements.
10. Review of permit applications in queue and preparation of response letters to applicants.
11. Review of funded projects, additional funding needs, and determination of projects the department can focus on and deliver in 2024.
12. Preparation of the 2024 Work Plan and staff assignments.

SAFE ROUTES TO SCHOOL

SAFE ROUTES TO SCHOOL REFERS TO A VARIETY OF MULTI-DISCIPLINARY PROGRAMS AIMED AT BOTH INCREASING THE NUMBER OF STUDENTS WALKING AND BICYCLING TO SCHOOL AND REDUCING THE NUMBER OF VEHICLE TRIPS ASSOCIATED WITH SCHOOL TRAVEL ON A NATIONAL OR STATEWIDE LEVEL.
