Subject: Emergency Declaration Resolution

Purpose

To adopt a resolution extending the existing declaration of emergency

Background

On March 12, 2020, the City Manager issued an Emergency Declaration in response to the COVID-19 pandemic. On March 17, 2020, the City Council adopted Resolution No. 2020-08 ratifying the Emergency Proclamation. The City Council subsequently adopted resolutions monthly beginning in October 2021 continuing the declaration of the existence of a local emergency due to the COVID-19 pandemic.

The threat posed by COVID-19 continues to pose a serious risk to the public health and safety of the City of Los Altos.

Discussion/Analysis

AB 361, signed into law on September 15, 2021, allows a public agency to continue to hold virtual City Council and Commission meetings while under a declaration of emergency without complying with certain elements of the Ralph M. Brown Act. The bill requires that a legislative body renew the declaration of emergency every 30 days in order to continue meeting in this manner. AB 361 applies to local agencies until January 1, 2024.

Although the availability of vaccines against COVID-19 has helped to lower overall case numbers and the severity of cases, COVID-19 remains a serious health concern, particularly for those with compromised immune systems. Adoption of the proposed resolution is needed to continue the City's Emergency Declaration.

Recommendation

The staff recommends Council adopt the attached resolution extending the declaration of emergency due to the COVID-19 pandemic.
