# Patron Poem

Red, yellow, orange  
Several shades of green  
Cool breeze it out in the orchard  
Looking out the window  
It seems like nothing is in between

Calm movements  
Everything at my fingertips  
I can click and have it  
If I don't find it I ask  
If they don't know how they'll find out  
I can borrow anything for free

Silence, warmth  
Comfortable chairs  
Lots of thinking in the air  
If I'm tired I can even nap  
It's another home  
I can come anytime I want

It's good to be a patron  
of the Los Altos Library!
