Purpose

To review and renew the Ordinance by introducing and waiving further reading of the Ordinance approving Los Altos Police Policy 709 pertaining to the funding, acquisition, and use of military equipment as mandated by Assembly Bill 481.

Background

On September 30, 2021, Governor Newsom signed a series of eight (8) policing reform legislation aimed at increasing transparency of peace officer misconduct records and creates a system to decertify peace officers for serious misconduct, improving policing responsibility and accountability guidelines, raising eligibility standards, banning harmful restraint techniques, and creates a public forum for the funding, acquisition and use of military equipment. Subject: AB 481 Military Equipment Use Annual Report

481 (AB 481) was authored by Assemblymember David Chiu (D-San Francisco) to address the funding, acquisition and use of military equipment.

California Government Section 7071 requires a law enforcement agency’s military equipment policy, which includes the type of equipment the department may acquire and use, to be approved by the governing body. “Military equipment” is not related to whether or not the equipment was acquired through military sources. The Los Altos Police Department does not possess any equipment specifically designed for military use, nor has the department acquired any equipment through a military surplus program, commonly known as the 1033 Program. Our “military equipment” is included in the attached policy under inventory, and includes items such as patrol rifles, several less lethal force options, and training flash bangs utilized as diversionary devices by our SWAT team.

As part of the approval process outlined in Assembly Bill 481, the initial proposed military equipment policy was made available on the department website (Government Code § 7071). The police department also hosted a community meeting to discuss AB 481 on May 12th, 2022. The Military Equipment Use Policy was presented to Council on September 20, 2022 and was approved with minor amendments. The 2022 Annual Report, a requirement of AB 481, was presented to citizens at a Town Hall meeting on February 8, 2023. It went before Council on March 14, 2023 and Ordinance No. 2023-489 was adopted on April 11, 2023. The 2023 Annual Report was published on the Department webpage on February 8, 2024 prior to the public meeting (City Council Meeting) on February 27, 2024.

Discussion/Analysis

California Assembly Bill 481, signed into law on September 30, 2021, requires police agencies to obtain City Council approval by the adoption of a military equipment use policy prior to taking certain actions relating to the funding, acquisition, or use of military equipment as defined by the legislature. The bill requires an annual report to the governing board regarding the military equipment. If an agency wishes to acquire additional equipment that is defined as military equipment, they must receive Council approval. The policy/ordinance governing military equipment use must be reviewed and renewed annually.

Recommendation

Staff recommends Council review and renew the Ordinance by introducing and waiving further reading of the Ordinance approving Los Altos Police Policy 709 pertaining to the funding, acquisition, and use of military equipment as mandated by Assembly Bill 481. Staff also recommends Council approve the acquisition of the replacement items of military equipment listed in the Annual Report. Staff further recommends Council approve the acquisition of the new items of military equipment listed in the Annual Report.
