Hello Gabe ,

I'm requesting that the city do something about the extensive amount of weeds in mid to South Los Altos. They are everywhere along the sides of the roads and in the mediums some are 3 to 4 feet high.

I think it's most important to take care of the entrance to Los Altos coming from 85, on Fremont.

Can you please let us know when they will be taken care of? i'm hoping it will take care of the main streets like foothill Expressway, Fremont Avenue, and then Miramonte, and El Monte.

Thank you.  
Kirk Mills
