Dear Chair Steinle and Planning Commissioners,

The Los Altos Affordable Housing Alliance is pleased to see city staff moving expeditiously to implement our Housing Element. We applaud the city modernizing our parking requirements, and look forward to the parking analysis and downtown parking plan that will soon be revealed and the further work that will be done at that time.

We urge you to forward this ordinance to the City Council with a recommendation to pass it.

Respectfully,  
LAAHA Steering Committee
