AGENDA REPORT SUMMARY

Meeting Date: December 13, 2022

Subject: Authorize the City Manager to execute the Subdivision Improvement Agreement and move to approve the Final Map for Tract Map #10581 4898 El Camino Real

Prepared by: Harun Musaefendic, Assistant Engineer
Reviewed by: Victor Chen, Engineering Services Manager
Jim Sandoval, Public Works Director/City Engineer
Approved by: Gabriel Engeland, City Manager

Attachment(s):
1. Tract Map #10581
2. Subdivision Improvement Agreement

Initiated by:
ADL 15 LLC

Previous Council Consideration:
October 1, 2019

Fiscal Impact:
None

Environmental Review:
The approval of a final map is exempt from review under the California Environmental Quality Act (“CEQA”) pursuant to CEQA guidelines section 15268(b)(3) in that CEQA does not apply to ministerial projects.

Policy Question(s) for Council Consideration:
None

Summary:

- Tentative map was approved on October 1, 2019
- Council to approve Tract Map #10581

Staff Recommendation:
Authorize the City Manager to execute the Subdivision Improvement Agreement and move to approve the Tract Map #10581 of 4898 El Camino Real.

Subject: Approve the Final Map for Tract Map #10581, 4898 El Camino Real

Purpose

Authorize the City Manager to execute the Subdivision Improvement Agreement and move to approve Tract Map #10581.

Background

On October 1, 2019, Council approved the multi-family design review application and the associated Tentative Map for the new development at 4898 El Camino Real. The recommended action will finalize the tentative final map for the project.

A Tentative Map (AKA, Tentative Parcel Map or Tentative Tract Map) is a map showing the layout of a proposed Subdivision, including the general description of the associated infrastructure. The approved Tentative Map also sets conditions such as access, frontage, grading improvements, stormwater protection, and so forth which must be met before the final Parcel Map or Tract Map can be filed. An approved Tentative Map does not divide the property, rather it sets the conditions under which the division can occur. To actually divide the property, one must file a Parcel Map or Tract Map.

The attached Tract Map is the instrument that divides the property. It must conform to and incorporate all the Tentative Map conditions and must also comply with the standards for Parcel Maps or Tract Maps as set forth in the State Subdivision Map Act. It must also include plans describing the various improvements to the project site and to all other affected properties, including public roadways and public and private utilities.

Discussion/Analysis

Tract Map #10581 for the development at 4898 El Camino Real conforms to the Tentative Map approved on October 1, 2019. The map and survey have been checked and found satisfactory. All conditions of approval have been complied with and appropriate controls to ensure compliance have been established. All required fees and deposits have been received. The Tract Map is available in the Engineering Services Department office for inspection.

Recommendation

The staff recommends that the City Council authorizes the City Manager to execute the Subdivision Improvement Agreement and move to approve Tract Map #10581, which will enable the developer to complete the building permit application.
