

Los Fresnos Community Development Corporation

Month of October 2026

Prepared by: Jeffrey Rosas – Economic Development Coordinator

CDC Website Development

- Website development continues to progress, and board members will be invited to review and provide input on content, features, and overall direction prior to launch.

High Demand Job Training (HDJT) Grant

- Program planning is complete and pending final coordination between TSC and Workforce Solutions before outreach, informational sessions, and participant recruitment begin.

Community Circle Initiative

- A community workshop is planned for November to gather resident feedback on quality-of-life priorities and identify opportunities to connect the public with existing programs and resources.

1st Annual Christmas Tree Lighting & City Lighting Celebration (Dec 3)

- Planning continues with event layout and flow, LFCISD performances, sponsorship efforts, vendor coordination, and promotion through the City's Save-the-Date campaign.

Grants

- The HDJT workforce grant is ready for implementation pending coordination with partner organizations.
- Ongoing research is being conducted to identify grant opportunities that could support future quality-of-life, community enhancement, and placemaking projects.
