

ACTION ITEM REPORT

Item Title: Consideration and ACTION to approve the second reading of an ordinance amending Chapter 10 “Businesses,” Article VIII “Mobile Food Vendor Courts/Parks” of the Los Fresnos Code of Ordinances.

Recommendation:

This was discussed and approved on the first reading in the June meeting.

State law that was passed the last legislative session affects the ordinance we have on Mobile Food Vendor Courts/Parks. The Texas Department of State Health Services will control much through state wide licensing. There are still items that the state needs to provide us to have a complete ordinance for compliance with the July 1 deadline. All cities are waiting. We hope to have the documents ready by the meeting. Our goal is to separate the ordinance into 2 parts, with one being about courts or parks where multiple mobile vendors are and one being about each individual mobile vendor.

I recommend approval.
