Recommendation:

I want to start by saying that this is a very special moment for me. As I've gotten to know our team and learn more about the City, I've been impressed by the number of employees who have dedicated so many years of their lives to serving Los Fresnos. Seeing that kind of commitment is inspiring to me personally. It motivates me to keep giving my best every day, and I hope that, years from now, I'll have the privilege of standing here with all of you celebrating my own 10-, 20-, or even 30-year anniversary with this great city.
