

ACTION ITEM REPORT

Item Title: Consideration and ACTION to approve additional funding for the concession stand at the Community Park for the Los Fresnos Little League.

Recommendation:

The CDC budgeted \$60,000 for this in the current budget. The price is going to be \$64,000 so there is a need for an additional \$4,000. With the general increases in prices over the last several years, this is a nominal amount.

I recommend approval.
