SECTION 3. Payment of Certificates - Paying Agent/Registrar. The principal of, premium, if any, and interest on the Certificates, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable to the Holder (hereinafter defined) appearing on the Security Register (hereinafter defined) maintained by the Paying Agent/Registrar (hereinafter defined), in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and such payment of principal of and interest on the Certificates shall be without exchange or collection charges to the Holder (as hereinafter defined) of the Certificates. Interest on each Certificate issued and delivered to a Holder shall accrue from the latest Interest Payment Date that interest on such Certificate (or its

Predecessor Certificate) has been paid that precedes the registration date appearing on such Certificate in the "Registration Certificate of Paying Agent/Registrar" (Section 8D hereof), unless the registration date appearing thereon is an Interest Payment Date for which interest is being paid, in which case interest on such Certificate shall accrue from the registration date appearing thereon and provided further that with respect to the initial payment of interest on a Certificate, such interest shall accrue from the date of initial delivery of the Certificates (or its Predecessor Certificate) to the Purchasers (hereinafter defined).

The selection and appointment of \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ (the *Paying Agent/Registrar*), to serve as the initial Paying Agent/Registrar for the Certificates is hereby approved and confirmed, and the City agrees and covenants to cause to be kept and maintained at the corporate trust office of the Paying Agent/Registrar books and records (the *Security Register*) for the registration, payment and transfer of the Certificates, all as provided herein, in accordance with the terms and provisions of a Paying Agent/Registrar Agreement, attached hereto in substantially final form as Exhibit A, and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The City covenants to maintain and provide a Paying Agent/Registrar at all times while the Certificates are Outstanding, and any successor Paying Agent/Registrar shall be: (i) a national or state banking institution; or (ii) an association or a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers. Such Paying Agent/Registrar shall be subject to supervision or examination by federal or state authority and shall be authorized by law to serve as a Paying Agent/Registrar.

The City reserves the right to appoint a successor Paying Agent/Registrar upon providing the previous Paying Agent/Registrar with a certified copy of a resolution or ordinance terminating such agency. Additionally, the City agrees to promptly cause a written notice of this substitution to be sent to each Holder of the Certificates by United States mail, first-class postage prepaid, which notice shall also give the address of the corporate office of the successor Paying Agent/Registrar.

Principal of, premium, if any, and interest on the Certificates, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable only to the registered owner of the Certificates appearing on the Security Register (the *Holder* or *Holder*s) maintained on behalf of the City by the Paying Agent/Registrar as hereinafter provided (i) on the Record Date (hereinafter defined) for purposes of payment of interest thereon, (ii) on the date of surrender of the Certificates for purposes of receiving payment of principal thereof upon redemption of the Certificates or at the Certificates' Stated Maturity, and (iii) on any other date for any other purpose. The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder as the owner of a Certificate for purposes of receiving payment and all other purposes whatsoever, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

Principal of and premium, if any, on the Certificates shall be payable only upon presentation and surrender of the Certificates to the Paying Agent/Registrar at its corporate trust office. Interest on the Certificates shall be paid to the Holder whose name appears in the Security Register at the close of business on the fifteenth day of the month next preceding an Interest Payment Date for the Certificates (the *Record Date*) and shall be paid: (i) by check sent on or prior

to the appropriate date of payment by United States mail, first-class postage prepaid, by the Paying Agent/Registrar, to the address of the Holder appearing in the Security Register; or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested in writing by the Holder at the Holder's risk and expense. While the Certificates are held by the Purchasers (as defined in Section 26 hereof), payment of principal of, premium, if any, and interest on the Certificates shall be made by federal funds wire transfer, at no cost to the Purchasers, to an account at a financial institution located in the United States designated by the Purchasers.

If the date for the payment of the principal of, premium, if any, or interest on the Certificates shall be a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city where the corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a day. The payment on such date shall have the same force and effect as if made on the original date any such payment on the Certificates was due.

In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a Special Record Date) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

#### SECTION 4. Redemption.

A. Optional Redemption. The Certificates having Stated Maturities on and after February 1, 2037, shall be subject to redemption prior to Stated Maturity, at the option of the City, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar), on February 1, 2036, or on any date thereafter at the redemption price of par plus accrued interest to the date of redemption.

B. Exercise of Redemption Option. At least forty-five (45) days prior to a date set for the redemption of the Certificates (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of its decision to exercise the right to redeem the Certificates, the principal amount of each Stated Maturity to be redeemed, and the date set for the redemption thereof. The decision of the City to exercise the right to redeem the Certificates shall be entered in the minutes of the governing body of the City.

C. Selection of Certificates for Redemption. If less than all Outstanding Certificates of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall select at random and by lot the Certificates to be redeemed, provided that if less than the entire principal amount of a Certificate is to be redeemed, the Paying Agent/Registrar shall treat such Certificate then subject to redemption as representing the number of Certificates Outstanding which is obtained by dividing the principal amount of such Certificate by \$5,000.

D. Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Certificates, a notice of redemption shall be sent by United States mail, first-class postage prepaid, in the name of the City and at the City's expense, by the Paying Agent/Registrar to each Holder of a Certificate to be redeemed, in whole or in part, at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder. This notice may also be published once in a financial publication, journal, or reporter of general circulation among securities dealers in the City of New York, New York (including, but not limited to, *The Bond Buyer* and *The Wall Street Journal*), or in the State of Texas (including, but not limited to, *The Texas Bond Reporter*).

All notices of redemption shall (i) specify the date of redemption for the Certificates, (ii) identify the Certificates to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Certificates, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Certificates, or the principal amount thereof to be redeemed, shall be made at the corporate trust office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder.

If a Certificate is subject by its terms to redemption and has been called for redemption and notice of redemption thereof has been duly given or waived as herein provided, such Certificate (or the principal amount thereof to be redeemed) so called for redemption shall become due and payable, and if money sufficient for the payment of such Certificates (or of the principal amount thereof to be redeemed) at the then applicable redemption price is held for the purpose of such payment by the Paying Agent/Registrar, then on the redemption date designated in such notice, interest on the Certificates (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue and such Certificates shall not be deemed to be Outstanding in accordance with the provisions of this Ordinance.

E. Transfer/Exchange of Certificates. Neither the City nor the Paying Agent/Registrar shall be required (1) to transfer or exchange any Certificate during a period beginning forty-five (45) days prior to the date fixed for redemption of the Certificates or (2) to transfer or exchange any Certificate selected for redemption, provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Certificate which is subject to redemption in part.

SECTION 5. Execution - Registration. The Certificates shall be executed on behalf of the City by its Mayor or Mayor Pro Tem under its seal reproduced or impressed thereon and attested by its City Secretary. The signature of either of said officers on the Certificates may be manual or facsimile. Certificates bearing the manual or facsimile signatures of individuals who were, at the time of the Certificate Date, the proper officers of the City shall bind the City, notwithstanding that such individuals or either of them shall cease to hold such offices prior to the delivery of the Certificates to the Purchasers, all as authorized and provided in Chapter 1201, as amended, Texas Government Code.

No Certificate shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Certificate either a certificate of registration substantially in the form provided in Section 8C herein, executed by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent by manual signature, or a certificate of registration substantially in the form provided in Section 8D herein, executed by the Paying Agent/Registrar by manual signature, and either such certificate upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly certified or registered and delivered.

**SECTION 6. Registration - Transfer - Exchange of Certificates - Predecessor Certificates.**  
The Security Register relating to the registration, payment, transfer, or exchange of the Certificates shall at all times be kept and maintained by the Issuer at the corporate trust office of the Paying Agent/Registrar, and the Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of every owner of the Certificates or, if appropriate, the nominee thereof. Any Certificate may, in accordance with its terms and the terms hereof, be transferred or exchanged for Certificates of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Certificate to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Certificate at the corporate trust office of the Paying Agent/Registrar, the City shall execute and the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Certificates executed on behalf of, and furnished by, the City, of authorized denominations and having the same Stated Maturity and of a like interest rate and aggregate principal amount as the Certificate or Certificates surrendered for transfer.

At the option of the Holder, Certificates may be exchanged for other Certificates of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Certificates surrendered for exchange upon surrender of the Certificates to be exchanged at the corporate trust office of the Paying Agent/Registrar. Whenever any Certificates are so surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Certificates, executed on behalf of, and furnished by, the City, to the Certificates to the Holder requesting the exchange.

All Certificates issued upon any transfer or exchange of Certificates shall be delivered at the corporate trust office of the Paying Agent/Registrar, or be sent by United States registered mail to the Holder at his request, risk, and expense, and upon the delivery thereof, the same shall be the valid and binding obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Certificates surrendered upon such transfer or exchange.

All transfers or exchanges of Certificates pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange

of any fee, tax or other governmental charges required to be paid with respect to such transfer or exchange.

Certificates canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be Predecessor Certificates, evidencing all or a portion, as the case may be, of the same debt evidenced by the new Certificate or Certificates registered and delivered in the exchange or transfer therefor. Additionally, the term Predecessor Certificates shall include any Certificate registered and delivered pursuant to Section 25 in lieu of a mutilated, lost, destroyed, or stolen Certificate which shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Certificate.

SECTION 7. Initial Certificate. The Certificates herein authorized shall be issued initially either: (i) as a single fully registered Certificate in the total principal amount of \$1,705,000 with principal installments to become due and payable as provided in Section 2 and numbered T-1; or (ii) as one (1) fully registered Certificate for each year of Stated Maturity in the applicable principal amount, interest rate, and denomination and to be numbered consecutively from T-1 and upward (the *Initial Certificate*) and, in either case, the Initial Certificate shall be registered in the name of the Purchasers or the designee thereof. The Initial Certificate shall be the Certificates submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas, and delivered to the Purchasers. Any time after the delivery of the Initial Certificate to the Purchasers, the Paying Agent/Registrar, upon written instructions from the Purchasers, or the designee thereof, shall cancel the Initial Certificate delivered hereunder and exchange therefor definitive Certificates of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates, and shall be lettered "R" and numbered consecutively from One (1) upward, for transfer and delivery to the Holders named and at the addresses identified therefor, all pursuant to and in accordance with and pursuant to such written instructions from the Purchasers, or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

#### SECTION 8. Forms.

A. Forms Generally. The Certificates, the Registration Certificate of Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Certificates shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends and any reproduction of an opinion of Bond Counsel (hereinafter referenced)) thereon as may, consistent herewith, be established by the City or determined by the officers executing the Certificates as evidenced by their execution thereof. Any portion of the text of any Certificate may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Certificate.

The definitive Certificates shall be typewritten, printed, lithographed, or engraved, produced by any combination of these methods, or produced in any other similar manner, all as

determined by the officers executing the Certificates as evidenced by their execution thereof, but the Initial Certificate submitted to the Attorney General of the State of Texas may be typewritten or photocopied or otherwise reproduced.

While the Certificates are held by the Purchasers, payment of principal of, premium, if any, and interest on the Certificates shall be made by federal funds wire transfer, at no cost to the Purchasers, to an account at a financial institution located in the United States designated by the Purchasers.

This Certificate is one of the series specified in its title issued in the aggregate principal amount of \$1,705,000 (the *Certificates*) pursuant to an Ordinance adopted by the governing body of the City (the *Ordinance*), for the purpose of paying contractual obligations of the City to be incurred for making permanent public improvements and for other public purposes, to-wit: (1) designing, constructing, acquiring, purchasing, renovating, equipping, enlarging, and improving the City's combined utility system; (2) the purchase of materials, supplies, equipment, machinery, landscaping, land, and rights-of-way for authorized needs and purposes relating to the aforementioned capital improvements; and (3) the payment of professional services related to the design, construction, project management, and financing of the aforementioned projects, under and in strict conformity with the laws of the State of Texas, particularly Chapter 1502, as amended, Texas Government Code, the Certificate of Obligation Act of 1971, as amended, Texas Local Government Code, Section 271.041 through 271.064, the Home Rule Charter of the Issuer, and the Ordinance.

The Certificates stated to mature on and after February 1, 2037 may be redeemed prior to their Stated Maturities, at the option of the Issuer, on February 1, 2036, or on any date thereafter, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar) at the redemption price of par plus accrued interest to the date of redemption; provided, however, that at least thirty (30) days' prior written notice shall be sent to the registered owners of the Certificates to be redeemed by United States mail, first-class postage prepaid, and subject to the terms and provisions relating thereto contained in the Ordinance. If this Certificate (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date this Certificate (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

If this Certificate (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption has been duly given, then upon such redemption date this Certificate (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and, if the money for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption is held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed. If this Certificate is called for redemption, in whole or in part, the City or the Paying Agent/Registrar shall not be required to issue, transfer, or exchange this Certificate within forty-five (45) days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

The Certificates of this series are payable from the proceeds of an ad valorem tax levied upon all taxable property within the City, within the limitations prescribed by law, and are further payable from and secured, together with the currently outstanding Subordinate Lien Obligations, by a lien on and pledge of the Net Revenues (identified and defined in the Ordinance), derived from the operation of the System, such lien on and pledge of the Net Revenues being subordinate and inferior to the lien on and pledge of such Net Revenues securing payment of any Prior Lien Obligations or Junior Lien Obligations hereafter issued by the City, but prior and superior to the lien on and pledge of the limited amount of the Net Revenues securing the payment of the currently outstanding Limited Pledge Obligations and any Additional Limited Pledge Obligations hereafter issued by the City. The City has previously authorized the issuance of the currently outstanding Subordinate Lien Obligations (identified and defined in the Ordinance) that are payable, in whole or in part, from and equally and secured by a subordinate and inferior lien on and pledge of the Net Revenues of the System in the manner and as described in the ordinances authorizing the issuance of the currently outstanding Subordinate Lien Obligations. The City has previously authorized the issuance of the currently outstanding Limited Pledge Obligations (identified and defined in the Ordinance) that are payable, in part, from and secured by a lien on and pledge of a limited amount of the Net Revenues of the System in the manner and as described in the ordinances authorizing the issuance of the currently outstanding Limited Pledge Obligations. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations, Junior Lien Obligations, Additional Subordinate Lien Obligations, and Additional Limited Pledge Obligations (all as identified and defined in the Ordinance), while the Certificates are Outstanding, without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise.

Reference is hereby made to the Ordinance, a copy of which is on file in the corporate trust office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied and the revenues pledged for the payment of the Certificates; the terms and conditions under which the City may issue Prior Lien Obligations, Junior Lien Obligations, Additional Subordinate Lien Obligations, and Additional Limited Pledge Obligations; the terms and conditions relating to the transfer or exchange of the Certificates; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holder; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which this Certificate may be redeemed or discharged at or prior to the Stated Maturity thereof, and deemed to be no longer Outstanding thereunder; and for the other terms and provisions specified in the Ordinance. Capitalized terms used herein without definition have the same meanings assigned in the Ordinance.

This Certificate, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register upon presentation and surrender at the corporate trust office of the Paying Agent/Registrar, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by the Holder hereof, or his duly authorized agent, and thereupon one or more new fully registered Certificates of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder hereof whose name appears on the Security Register (i) on the Record Date as the owner hereof for purposes of receiving payment of interest hereon, (ii) on the date of surrender of this Certificate as the owner hereof for purposes of receiving payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner hereof for all other purposes, and neither the City nor the Paying Agent/Registrar, or any such agent of either, shall be affected by notice to the contrary. In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a Special Record Date) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, covenanted, and represented that all acts, conditions, and things required to be performed, exist, and be done precedent to the issuance of this Certificate in order to render the same a legal, valid, and binding obligation of the City have been performed, exist, and have been done, in regular and due time, form, and manner, as required by the laws of the State of Texas and the Ordinance, and that issuance of the Certificates does not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of, premium if any, and interest on the Certificates by the levy of a tax and collection of Net Revenues as aforestated. In case any provision in this Certificate or any application thereof shall be deemed invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. A. Prior to the date the City Council establishes the annual tax rate and passes an ordinance levying ad valorem taxes each year, the City Council shall determine:

(1) the amount of Debt Service Requirements to become due and payable on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year;

(2) the amount on deposit in the Certificate Fund after (a) deducting therefrom the total amount of Debt Service Requirements to become due on Certificates prior to the Collection Date for the ad valorem taxes to be levied and (b) adding thereto the amount of the Net Revenues to be appropriated and allocated during such year to pay such Debt Service Requirements, if any, prior to the Collection Date for the ad valorem taxes to be levied; and

(3) the amount of Net Revenues to be appropriated and to be set aside for the payment of the Debt Service Requirements on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding Fiscal Year.

B. The amount of taxes to be levied annually each year to pay the Debt Service Requirements on the Certificates shall be the amount established in paragraph (1) above less the sum total of the amounts established in paragraphs (2) and (3), after taking into consideration delinquencies and costs of collecting such annual taxes.

## SECTION 12. Pledge of Net Revenues – Perfection of Security Interest.

A. The City hereby covenants and agrees that, subject to (i) any prior lien on and pledge of the Net Revenues of the System to the payment and security of any Prior Lien Obligations or Junior Lien Obligations hereafter issued by the City, (ii) the lien on and pledge of

the Net Revenues to the payment and security of the currently outstanding Subordinate Lien Obligations (on a parity with the Certificates), and (iii) the lien on and pledge of a limited amount of the Net Revenues to the payment and security of the currently outstanding Limited Pledge Obligations and any Additional Limited Pledge Obligations hereafter issued by the City, the Net Revenues are hereby irrevocably pledged to the payment of the principal of and interest on the Certificates and the pledge of Net Revenues herein made for the payment of the Certificates shall constitute a lien on the Net Revenues in accordance with the terms and provisions hereof and be valid and binding without any physical delivery thereof or further act by the City.

B. Chapter 1208, as amended, Texas Government Code, applies to the issuance of the Certificates and the pledge of Net Revenues granted by the City under subsection A. of this Section, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Certificates are Outstanding and unpaid such that the pledge of the Net Revenues granted by the City is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in this pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, as amended, Texas Business & Commerce Code and enable a filing to perfect the security interest in this pledge to occur.

SECTION 13. System Fund. The City hereby covenants and agrees that all Gross Revenues derived from the operation of the System shall be kept separate and apart from all other funds, accounts and money of the City and shall be deposited as collected into the “CITY OF LOS FRESNOS, TEXAS UTILITY SYSTEM FUND” (the *System Fund*). All money deposited in the System Fund shall be pledged and appropriated to the extent required for the following purposes and in the order of priority shown:

- First: To the payment of the reasonable and proper Maintenance and Operating Expenses of the System required by statute or ordinances authorizing the issuance of any indebtedness of the City to be a first charge on and claim against the Gross Revenues of the System;
- Second: To the payment of the amounts that must be deposited in the special funds and accounts created and established for the payment, security, and benefit of any Prior Lien Obligations hereafter issued by the City in accordance with the terms and provisions of any ordinance authorizing their issuance;
- Third: To the payment of the amounts that must be deposited in the special funds and accounts created and established for the payment, security, and benefit of any Junior Lien Obligations hereafter issued by the City in accordance with the terms and provisions of any ordinance authorizing their issuance;
- Fourth: To the payment of the amounts that must be deposited in the special funds and accounts created and established for the payment, security, and benefit of the currently outstanding Subordinate Lien Obligations, including the Certificates, and any Additional Subordinate Lien Obligations hereafter issued by the City in

accordance with the terms and provisions of any ordinance authorizing their issuance; and

- Fifth: To the payment of the amounts that may be deposited in the special funds and accounts established for the payment of the currently outstanding Limited Pledge Obligations and any Additional Limited Pledge Obligations hereafter issued by the City in accordance with the terms and provisions of any ordinance authorizing their issuance.

Any Net Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment, security and benefit thereof, may be appropriated and used for any other City purpose now or hereafter permitted by law.

SECTION 14. Deposits to Certificate Fund; Surplus Certificate Proceeds. The City hereby covenants and agrees to cause to be deposited in the Certificate Fund prior to a principal and interest payment date for the Certificates, from the Net Revenues in the System Fund, after the deduction of all payments required to be made to the special funds or accounts created for the payment, security, and benefit of (i) any Prior Lien Obligations hereafter issued by the City and (ii) any Junior Lien Obligations hereafter issued by the City, any amounts budgeted to be paid therefrom in such Fiscal Year.

Accrued interest, if any, received from the Purchasers of the Certificates shall be deposited to the Certificate Fund and ad valorem taxes levied and collected for the benefit of the Certificates shall be deposited to the Certificate Fund. In addition, any surplus proceeds, including investment income therefrom, from the sale of the Certificates not expended for authorized purposes shall be deposited in the Certificate Fund, and such amounts so deposited shall reduce the sums otherwise required to be deposited in said fund from ad valorem taxes.

SECTION 15. Security of Funds. All money on deposit in the funds for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested as provided herein) shall be secured in the manner and to the fullest extent required by the laws of Texas for the security of public funds (including as required by and in accordance with the Texas Public Funds Collateral Act, codified at Chapter 2257, as amended, Texas Government Code), and money on deposit in such funds shall be used only for the purposes permitted by this Ordinance.

SECTION 16. Maintenance of System - Insurance. The City covenants and agrees that while the Certificates remain Outstanding it will maintain and operate the System with all possible efficiency and maintain casualty and other insurance (including a system of self-insurance) on the properties of the System and its operations of a kind and in such amounts customarily carried by municipal corporations in the State of Texas engaged in a similar type of business and that it will faithfully and punctually perform all duties with reference to the System required by the laws of the State of Texas, but in no event shall the amount of insurance maintained on the projects financed with the proceeds of the Certificates be less than the amount necessary to protect the Purchasers' interest. All money received from losses under such insurance policies, other than public liability policies, are held for the benefit of the holders of the Certificates until and unless the proceeds are paid out in making good the loss or damage in respect of which such proceeds are received, either by replacing the property destroyed or repairing the property damaged, and

adequate provision for making good such loss or damage must be made within ninety (90) days after the date of loss. The payment of premiums for all insurance policies required under the provisions hereof shall be considered Maintenance and Operating Expenses. Nothing in this Ordinance shall be construed as requiring the City to expend any funds which are derived from sources other than the operation of the System but nothing herein shall be construed as preventing the City from doing so.

SECTION 17. Rates and Charges. The City hereby covenants and agrees with the Holders of the Certificates (in addition to any covenants contained in the ordinances authorizing the issuance of the currently outstanding Subordinate Lien Obligations, and Limited Pledge Obligations) that rates and charges for utility services afforded by the System will be established and maintained to provide Gross Revenues sufficient at all times:

A. to pay, together with any other lawfully available funds, all operating, maintenance, depreciation, replacement, betterment, and other costs incurred in the maintenance and operation of the System, including, but not limited to, Maintenance and Operating Expenses; provided, however, that the City expressly reserves the right to utilize other lawfully available funds to pay the Maintenance and Operating Expenses;

B. to produce Net Revenues sufficient, together with any other lawfully available funds, to pay (i) the interest on and principal of any Prior Lien Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special fund created and established for the payment, security, and benefit thereof; (ii) the interest on and principal of any Junior Lien Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special fund created and established for the payment, security, and benefit thereof; (iii) the interest on and principal of the currently outstanding Subordinate Lien Obligations, the Certificates, and any Additional Subordinate Lien Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special fund created and established for the payment, security, and benefit thereof; and (iv) the interest on and principal of the currently outstanding Limited Pledge Obligations and any Additional Limited Pledge Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special fund created and established for the payment, security, and benefit thereof; and

C. to pay other legally incurred indebtedness payable from the Net Revenues of the System and/or secured by a lien on the System or the Net Revenues thereof.

SECTION 18. Records and Accounts - Annual Audit. The City further covenants and agrees that so long as any of the Certificates remain Outstanding it will keep and maintain separate and complete records and accounts pertaining to the operations of the System in which complete and correct entries shall be made of all transactions relating thereto, as provided by Chapter 1502, as amended, Texas Government Code, or other applicable law. The Holders of the Certificates or any duly authorized agent or agents of the Holders shall have the right to inspect the System and all properties comprising the same. The City further agrees that, following the close of each Fiscal Year (and in no event later than 180 days after the end of each Fiscal Year), it will cause an audit of such books and accounts to be made by an independent firm of certified public accountants, which annual audit shall be prepared in accordance with generally accepted auditing standards.

Copies of each annual audit shall be furnished, without charge, to (i) the Texas Water Development Board, Attention: Executive Administrator and (ii) upon written request, and at the expense of such Holder, to any subsequent Holder thereof. Expenses incurred in making the annual audit of the operations of the System are to be regarded as Maintenance and Operating Expenses.

SECTION 19. Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in the payments to be made to the Certificate Fund, or (b) defaults in the observance or performance of any other of the covenants, conditions, or obligations set forth in this Ordinance, the Holders of any of the Certificates shall be entitled to seek a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the governing body of the City and other officers of the City to observe and perform any covenant, condition, or obligation prescribed in this Ordinance.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedies herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive.

For the avoidance of doubt, for so long as the Purchasers are Holders of the Certificates, the Purchasers may exercise all remedies available to it at law or in equity, and any provision of this Ordinance or the Certificates that attempts to restrict or limit this right to exercise remedies shall be of no force or effect.

SECTION 20. Issuance of Prior Lien Obligations, Junior Lien Obligations, Additional Subordinate Lien Obligations, and Additional Limited Pledge Obligations. The City hereby expressly reserves the right to hereafter issue bonds, notes, warrants, certificates of obligation, or similar obligations, payable, wholly or in part, as appropriate, from and secured by a pledge of and lien on the Net Revenues of the System with the following priorities, without limitation as to principal amount, but subject to any terms, conditions, or restrictions applicable thereto under existing ordinances, laws, or otherwise:

A. Prior Lien Obligations payable from and equally and ratably secured by a first and prior lien on and pledge of the Net Revenues of the System;

B. Junior Lien Obligations payable from and equally and ratably secured by a lien on and pledge of the Net Revenues that is junior and inferior to the lien on and pledge thereof securing the payment of any Prior Lien Obligations hereafter issued by the City, but prior and superior to the lien on and pledge of the Net Revenues securing the payment of the currently outstanding Subordinate Lien Obligations, the Certificates, the Limited Pledge Obligations, and any Additional Subordinate Lien Obligations or Additional Limited Pledge Obligations hereinafter issued by the City; and

C. Additional Subordinate Lien Obligations payable from and equally and ratably secured, together with the currently outstanding Subordinate Lien Obligations, by a lien on and pledge of the Net Revenues of the System that is subordinate and inferior to the lien on and pledge

thereof securing the payment of any Prior Lien Obligations or Junior Lien Obligations hereafter issued by the City, but prior and superior to the lien on and pledge of the Net Revenues securing the payment of the currently outstanding Limited Pledge Obligations, and any Additional Limited Pledge Obligations hereafter issued by the City; and

D. Additional Limited Pledge Obligations that are payable from and equally and ratably secured, in whole or in part, by a lien on and pledge of the Net Revenues of the System that is subordinate and inferior to the lien on and pledge thereof securing the payment of the currently outstanding Subordinate Lien Obligations, the Certificates, or any Prior Lien Obligations, Junior Lien Obligations, or Additional Subordinate Lien Obligations hereafter issued by the City.

**SECTION 21. Special Covenants.** The City hereby further covenants that:

A. it has the lawful power to pledge the Net Revenues supporting the Certificates and has lawfully exercised said powers under the laws of the State of Texas, including power existing under Chapter 1502, as amended, Texas Government Code, the Certificate of Obligation Act of 1971, as amended, Texas Local Government Code, Section 271.041 through 271.064, and the City's Home Rule Charter;

B. other than for the payment of the currently outstanding Subordinate Lien Obligations, the Certificates, and Limited Pledge Obligations, the Net Revenues of the System have not in any manner been pledged to the payment of any debt or obligation of the City or of the System;

C. as long as any Certificates or any interest thereon remain Outstanding, the City will not sell, lease or encumber (except in the manner provided in Section 20 of this Ordinance) the System or any substantial part thereof, provided that this covenant shall not be construed to prohibit the sale of such machinery, or other properties or equipment which has become obsolete or otherwise unsuited to the efficient operation of the System;

D. to the extent that it legally may, the City further covenants and agrees that, so long as any of the Certificates, or any interest thereon, are Outstanding, no franchise shall be granted for the installation or operation of any competing utility systems other than those owned by the City, and the operation of any such systems by anyone other than the City is hereby prohibited; and

E. no free service of the System shall be allowed, and should the City or any of its agents or instrumentalities make use of the services and facilities of the System, payment of the reasonable value thereof shall be made by the City out of funds from sources other than the revenues and income of the System.

**SECTION 22. Application of the Covenants and Agreements of any Prior Lien Obligations, Junior Lien Obligations, Additional Subordinate Lien Obligations, or Additional Limited Pledge Obligations.** It is the intention of the City Council and accordingly hereby recognized and stipulated that the provisions, agreements, and covenants contained herein bearing upon the management and operations of the System, and the administration and application of Gross Revenues derived from the operation thereof, shall to the extent possible be harmonized

with like provisions, agreements, and covenants contained in the ordinances authorizing the issuance of any Prior Lien Obligations or Junior Lien Obligations hereafter issued by the City, and to the extent of any irreconcilable conflict between the provisions contained herein and in the ordinances authorizing the issuance of any Prior Lien Obligations or Junior Lien Obligations hereafter issued by the City, the provisions, agreements and covenants contained therein shall prevail to the extent of such conflict and be applicable to this Ordinance, especially the priority of rights and benefits conferred thereby to the holders of any Prior Lien Obligations or Junior Lien Obligations hereafter issued by the City. It is expressly recognized that prior to the issuance of any Prior Lien Obligations, Junior Lien Obligations, Additional Subordinate Lien Obligations, or Additional Limited Pledge Obligations, the City must comply with each of the conditions precedent contained in the ordinances authorizing the currently outstanding Subordinate Lien Obligations, the Certificates, and the currently outstanding Limited Pledge Obligations, and the ordinances authorizing the issuance of any Prior Lien Obligations, Junior Lien Obligations, Additional Subordinate Lien Obligations, and Additional Limited Pledge Obligations, as appropriate.

SECTION 23. Notices to Holders, Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States mail, first-class postage prepaid, to the address of each Holder as it appears in the Security Register.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Holders. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 24. Cancellation. All Certificates surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Certificates held by the Paying Agent/Registrar shall be destroyed as directed by the City.

SECTION 25. Mutilated, Destroyed, Lost, and Stolen Certificates. If (1) any mutilated Certificate is surrendered to the Paying Agent/Registrar, or the City and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Certificate, and (2) there is delivered to the City and the Paying Agent/Registrar such security or indemnity as may be required to save each of them harmless, then, in the absence of notice to the City or the Paying Agent/Registrar that such Certificate has been acquired by a bona fide purchaser, the City shall execute and, upon its request, the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Certificate,

a new Certificate of the same Stated Maturity and interest rate and of like tenor and principal amount, bearing a number not contemporaneously Outstanding.

In case any such mutilated, destroyed, lost, or stolen Certificate has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Certificate, pay such Certificate.

Upon the issuance of any new Certificate or payment in lieu thereof, under this Section, the City may require payment by the Holder of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses and charges (including attorney's fees and the fees and expenses of the Paying Agent/Registrar) connected therewith.

Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Certificate shall constitute a replacement of the prior obligation of the City, whether or not the mutilated, destroyed, lost, or stolen Certificate shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Certificates.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Certificates.

SECTION 26. Sale of the Certificates; Approval of Private Placement Memorandum; Use of Certificate Proceeds. The sale of the Certificates to the Texas Water Development Board (the *TWDB* or the *Purchasers*, and having all the rights, benefits, and obligations of a Holder) at the price of par, less the origination fee of \$29,324.00 pursuant to a loan commitment received from the Purchasers is hereby confirmed. The pricing and terms of the sale of the Certificates are hereby found and determined to be the most advantageous reasonably obtainable by the City. Delivery of the Certificates to the Purchasers shall occur as soon as practicable after the adoption of this Ordinance, upon payment therefor in accordance with the terms of loan commitment, and this Ordinance.

The Private Placement Memorandum related to the Certificates and presented to the City Council in connection with this Ordinance is hereby approved. Any Authorized Official is hereby directed to deliver the Private Placement Memorandum to the Purchasers in satisfaction of the prerequisite of the Purchasers to receive the Private Placement Memorandum prior to their purchase of the Certificates.

Proceeds from the sale of the Certificates shall be applied as follows:

(1) Accrued interest, if any, received from the Purchasers shall be deposited into the Certificate Fund.

(2) The balance of the proceeds derived from the sale of the Certificates (after paying costs of issuance) shall be deposited into the special construction account to be designated "CITY OF LOS FRESNOS, TEXAS CLEAN WATER STATE REVOLVING FUND PROGRAM LOAN CONSTRUCTION FUND" (the *Construction Fund*) for the receipt and disbursement of all proceeds from the sale of the Certificates and all other funds

acquired by the City in connection with the planning and construction of the Project financed, in whole or in part, by the Purchasers pursuant to the loan evidenced by the Certificates. All funds deposited to the credit of the Construction Fund shall be disbursed only for the payment of costs and expenses incurred in connection with the planning and building of the Project as approved by the Purchasers and as otherwise allowed by the rules and in accordance with the provisions of Chapter 15 or 17 of the Texas Water Code, as amended. The Construction Fund shall be established and maintained at the Depository and shall be invested in accordance with the provisions of Section 10 of this Ordinance or otherwise secured in accordance with the provisions of Section 15 of this Ordinance, but any money deposited into the Construction Fund shall not be commingled with any other funds of the Issuer. Interest earned on the proceeds of the Certificates pending completion of construction of the Project financed with such proceeds shall be accounted for, maintained, deposited, and expended as permitted by the provisions of Chapter 1201, as amended, Texas Government Code, or as required by any other applicable law. Thereafter, such amounts shall be expended in accordance with Section 14 of this Ordinance.

SECTION 27. Covenants to Maintain Tax-Exempt Status.

A. Definitions. When used in this Section, the following terms have the following meanings:

*Closing Date* means the date on which the Certificates are first authenticated and delivered to the initial purchasers against payment therefor.

*Code* means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

*Computation Date* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*Gross Proceeds* means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Certificates.

*Investment* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*Nonpurpose Investment* means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Certificates are invested and which is not acquired to carry out the governmental purposes of the Certificates.

*Rebate Amount* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*Regulations* means any proposed, temporary, or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Certificates. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

*Yield of*

(1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(2) the Certificates means the yield as calculated pursuant to Section 1.148-4 of the Regulations.

B. Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Certificate to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Certificate, the City shall comply with each of the specific covenants in this Section.

C. No Private Use or Private Payments. Except to the extent it will not cause the Certificates to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Certificates:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Certificates, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

D. No Private Loan. Except to the extent it will not cause the Certificates to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if- (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or

service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

E. Not to Invest at Higher Yield. Except to the extent it will not cause the Certificates to become “arbitrage bonds” within the meaning of section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Certificates directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, materially exceeds the Yield of the Certificates.

F. Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

G. Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

H. Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder or except to the extent the City complies with Subsection J of this Section:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Certificate is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Certificates with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Certificates until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Certificates by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Certificate Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the

Certificates equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

I. Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Certificates, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection H of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Certificates not been relevant to either party.

J. No Rebate Required. The City need not comply with the covenants and duties imposed by the provisions of Subsection H. of this Section if:

(1) the City is a governmental unit with general taxing powers;

(2) 95% of the Net Proceeds of the Certificates and all income from the investment thereof will be used for the governmental activities of the City;

(3) the aggregate face amount, within the meaning of Section 1.148-8(c)(1) of the Regulations, of all debt obligations (other than private activity bonds) issued or expected to be issued by the City or any subordinate entity in the calendar year in which the Certificates are issued is not reasonably expected to exceed \$5,000,000; and

(4) the City otherwise satisfies the requirements of paragraph (4)(c) of section 148(f) of the Code and Section 1.148-8 of the Regulations and rulings thereunder.

K. Certificates Not Hedge Bonds.

(1) The City reasonably expects to spend at least 85% of the spendable proceeds of the Certificates within three years after such Certificates are issued.

(2) Not more than 50% of the proceeds of the Certificates will be invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

L. Elections. The City hereby directs and authorizes any Authorized Official, or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Certificates, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document. Such elections shall be deemed to be made on the Closing Date.

M. Qualified Tax-Exempt Obligations. The City hereby designates the Certificates as qualified tax-exempt obligations for purposes of section 265(b) of the Code. In furtherance of such designation, the City represents, covenants and warrants the following: (a) during the calendar year in which the Certificates are issued, the City (including any subordinate entities) has not designated nor will designate obligations, which when aggregated with the Certificates, will result in more than \$10,000,000 of “qualified tax-exempt obligations” being issued; (b) the City reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year 2025 by the City (including any subordinate entities) will not exceed \$10,000,000; and (c) the City will take such action or refrain from such action as is necessary in order that the Certificates will not be considered “private activity bonds” within the meaning of section 141 of the Code.

SECTION 28. Control and Custody of Certificates. The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas and shall take and have charge and control of the Certificates pending their approval by the Attorney General of the State of Texas, the registration thereof by the Comptroller of Public Accounts of the State of Texas and the delivery of the Certificates to the Purchasers.

Furthermore, each Authorized Official, either individually or any combination of them, is hereby authorized and directed to furnish and execute such documents relating to the City and its financial affairs as may be necessary for the issuance of the Certificates, the approval of the Attorney General of the State of Texas and their registration by the Comptroller of Public Accounts of the State of Texas and, together with the City’s Financial Advisor, Bond Counsel, and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Certificates to the Purchasers and, when requested in writing by the Purchasers, the initial exchange thereof for definitive Certificates.

SECTION 29. Satisfaction of Obligation of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Certificates, at the times and in the manner stipulated in this Ordinance, then the pledge of taxes levied and the lien on and pledge of the Net Revenues under this Ordinance and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Certificates, or any principal amount(s) thereof, shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when: (i) money sufficient to pay in full such Certificates or the principal amount(s) thereof at Stated Maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent; and/or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities mature as to principal and interest in such

amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any money deposited therewith, if any, to pay when due the principal of and interest on such Certificates, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof for the Certificates. In the event of a defeasance of the Certificates, the City shall deliver a certificate from its financial advisor, the Paying Agent/Registrar, independent accounting firm, or another qualified third party concerning the sufficiency of the deposit of cash and/or Government Securities to pay, when due, the principal of, redemption premium (if any), and interest due on any defeased Certificates. To the extent applicable, if at all, the City covenants that no deposit of money or Government Securities will be made under this Section and no use made of any such deposit which would cause the Certificates to be treated as arbitrage bonds within the meaning of section 148 of the Code (as defined in Section 27 hereof).

Any money so deposited with the Paying Agent/Registrar, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Certificates, or any principal amount(s) thereof, or interest thereon with respect to which such money has been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Certificates and remaining unclaimed for a period of three (3) years after the Stated Maturity of the Certificates, or applicable redemption date of the Certificates, such money was deposited and is held in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor, subject to the unclaimed property laws of the State of Texas.

Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem defeased Certificates that is made in conjunction with the payment arrangements specified in clause (i) or (ii) above shall not be irrevocable, provided that: (1) in the proceedings providing for such defeasance, the City expressly reserves the right to call the defeased Certificates for redemption; (2) gives notice of the reservation of that right to the owners of the defeased Certificates immediately following the defeasance; (3) directs that notice of the reservation be included in any redemption notices that it authorizes; and (4) at the time of the redemption, satisfies the conditions of clause (i) or (ii) above with respect to such defeased debt as though it was being defeased at the time of the exercise of the option to redeem the defeased Certificates, after taking the redemption into account in determining the sufficiency of the provisions made for the payment of the defeased Certificates.

## SECTION 30. Continuing Disclosure Undertaking.

### A. Definitions.

As used in this Section, the following terms have the meanings ascribed to such terms below:

*EMMA* means the MSRB's Electronic Municipal Market Access system, accessible by the general public, without charge, on the internet through the uniform resource locator (URL) <http://www.emma.msrb.org>.

*Financial Obligation* means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that “financial obligation” shall not include municipal securities (as defined in the Securities Exchange Act of 1934, as amended) as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

*MSRB* means the Municipal Securities Rulemaking Board.

B. Annual Reports.

The City shall file annually with the MSRB, within six months after the end of each Fiscal Year ending in or after 2025, financial information and operating data with respect to the City of the general type included in the final Application authorized by Section 36 of this Ordinance being the information described in Exhibit D hereto. All such information must be filed with MSRB pursuant to its Electronic Municipal Access (EMMA) System. Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles described in Exhibit D hereto, or such other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation and (ii) audited, if the City commissions an audit of such financial statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the City shall file unaudited financial statements within such period and audited financial statements for the applicable Fiscal Year with the MSRB, when and if the audit report on such statements becomes available. Under current Texas law, including, but not limited to, Chapter 103, as amended, Texas Local Government Code, the City must have its records and accounts audited annually and shall have an annual financial statement prepared based on the audit. The annual financial statement, including the auditor’s opinion on the statement, shall be filed in the office of the City Secretary within 180 days after the last day of the City’s Fiscal Year. Additionally, upon the filing of this financial statement and the annual audit, these documents are subject to the Texas Open Records Act, as amended, Texas Government Code, Chapter 552.

If the City changes its Fiscal Year, it will file notice thereof with the MSRB of such change (and of the date of the new Fiscal Year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

C. Notice of Certain Events. The City shall file notice of any of the following events with respect to the Certificates, to the MSRB in a timely manner and not more than 10 business days after occurrence of the event:

- (1) principal and interest payment delinquencies;

- (2) non-payment related defaults, if material;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit or liquidity providers, or their failure to perform;
- (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Certificates, or other material events affecting the tax status of the Certificates;
- (7) modifications to rights of Holders of the Certificates, if material;
- (8) Certificate calls, if material, and tender offers;
- (9) defeasances;
- (10) release, substitution, or sale of property securing repayment of the Certificates, if material;
- (11) rating changes;
- (12) bankruptcy, insolvency, receivership, or similar event of the City, which shall occur as described below;
- (13) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into of a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (14) appointment of a successor or additional paying agent/registrar or the change of name of a paying agent/registrar, if material;
- (15) incurrence of a Financial Obligation of the City, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the City, any of which affect security holders, if material; and
- (16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the City, any of which reflect financial difficulties.

For these purposes, (a) any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed

jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City, and (b) the City intends the words used in the immediately preceding paragraphs (15) and (16) and the definition of Financial Obligation in this Section to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018.

The City shall file notice with the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with this Section by the time required by this Section.

D. Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an “obligated person” with respect to the Certificates within the meaning of the Rule, except that the City in any event will give notice of any deposit that causes the Certificates to be no longer Outstanding.

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITH OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Certificates consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the holders and beneficial owners of the Certificates. The City may also repeal or amend the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the City also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection B of this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

E. Information Format – Incorporation by Reference.

The City information required under this Section shall be filed with the MSRB through EMMA in such format and accompanied by such identifying information as may be specified from time to time thereby. Under the current rules of the MSRB, continuing disclosure documents submitted to EMMA must be in word-searchable portable document format (PDF) files that permit the document to be saved, viewed, printed, and retransmitted by electronic means and the series of obligations to which such continuing disclosure documents relate must be identified by CUSIP number or numbers.

Financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document) available to the public through EMMA or filed with the SEC.

F. General Policies and Procedures Concerning Compliance with the Rule.

Because the issuance of the Certificates is subject to the provisions of the Rule and because the potential “underwriters” in a negotiated sale of the Certificates or the initial purchasers in a competitive sale of the Certificates may be subject to MSRB rules and regulations with respect to such sale (including certain due diligence and suitability requirements, among others), the City hereby adopts the General Policies and Procedures Concerning Compliance with the Rule (the “Policies and Procedures”), attached hereto as Exhibit E, with which the City shall follow to assure compliance with the Undertaking. The City has developed these Policies and Procedures for the

purpose of meeting its requirements of the Undertaking and, in connection therewith, has sought the guidance from its internal staff charged with administering the City's financial affairs, its municipal or financial advisors, its legal counsel (including its Bond Counsel), and its independent accountants (to the extent determined to be necessary or advisable). The Policies and Procedures can be amended at the sole discretion of the City and any such amendment will not be deemed to be an amendment to the Undertaking. Each Authorized Official is hereby authorized to amend the Policies and Procedures as a result of a change in law, a future issuance of indebtedness subject to the Rule, or another purpose determined by the Authorized Official to be necessary or desirable for or with respect to future compliance with the Undertaking.

#### SECTION 31. Book-Entry Only System.

It is intended that the Certificates will initially be registered so as to participate in a securities depository system (the *DTC System*) with the Depository Trust Company, New York, New York, or any successor entity thereto (*DTC*), as set forth herein. Each Stated Maturity of the Certificates shall be issued (following cancellation of the Initial Certificates described in Section 7) in the form of a separate single definitive Certificate. Upon issuance, the ownership of each such Certificate shall be registered in the name of Cede & Co., as the nominee of DTC, and all of the Outstanding Certificates shall be registered in the name of Cede & Co., as the nominee of DTC. The City and the Paying Agent/Registrar are authorized to execute, deliver, and take the actions set forth in such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including the Letter of Representations attached hereto as Exhibit C (the *Representation Letter*).

With respect to the Certificates registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any broker-dealer, bank, or other financial institution for which DTC holds the Certificates from time to time as securities depository (a *Depository Participant*) or to any person on behalf of whom such a Depository Participant holds an interest in the Certificates (an *Indirect Participant*). Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any Depository Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any Depository Participant or any other person, other than a registered owner of the Certificates, as shown on the Security Register, of any notice with respect to the Certificates, including any notice of redemption, or (iii) the delivery to any Depository Participant or any Indirect Participant or any other Person, other than a Holder of a Certificate, of any amount with respect to principal of, premium, if any, or interest on the Certificates. While in the DTC System, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a bond certificate evidencing the obligation of the City to make payments of principal, premium, if any, and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the Holder, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

In the event that (a) the City determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the Representation Letter

shall be terminated for any reason, or (c) DTC or the City determines that it is in the best interest of the beneficial owners of the Certificates that they be able to obtain certificated Certificates, the City shall notify the Paying Agent/Registrar, DTC, and the Depository Participants of the availability within a reasonable period of time through DTC of bond certificates, and the Certificates shall no longer be restricted to being registered in the name of Cede & Co., as nominee of DTC. However, the City will not discontinue the use of DTC without the prior notice and consent of the Purchasers for so long as the Purchasers are the holder of any of the Certificates. At that time, the City may determine that the Certificates shall be registered in the name of and deposited with a successor depository operating a securities depository system, as may be acceptable to the City, or such depository's agent or designee, and if the City and the Paying Agent/Registrar do not select such alternate securities depository system then the Certificates may be registered in whatever name or names the Holders of Certificates transferring or exchanging the Certificates shall designate, in accordance with the provisions hereof.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Certificate is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Certificate and all notices with respect to such Certificate shall be made and given, respectively, in the manner provided in the Representation Letter.

**SECTION 32. Compliance with Purchasers' Rules and Regulations.** The Issuer will comply with all of the requirements contained in the resolution or resolutions adopted by the Purchasers with respect to the issuance of the Certificates. In addition, in compliance with the Purchasers' Clean Water State Revolving Fund Program Rules, the Issuer hereby agrees, consents, and covenants the following:

A. The commitment of the TWDB to purchase the Certificates is contingent on a future sale of bonds by the TWDB or on the availability of funds on hand.

B. The commitment of the TWDB to purchase the Certificates is contingent upon the issuance of a written approving opinion of the Attorney General of the State of Texas that all of the requirements of the laws under which the Certificates were issued have been complied with; that the Certificates were issued in conformity with the Constitution and laws of the State of Texas; and that the Certificates are valid and binding obligations of the Issuer.;

C. The commitment of the TWDB to purchase the Certificates is contingent upon the Issuer's compliance with all applicable requirements contained in 31 TAC Chapter 375.

E. The Issuer shall comply with the requirements of the Rule as if the TWDB were a "Participating Underwriter" within the meaning of the Rule, as provided in Section 30. The Issuer shall further annually submit an audit, prepared by a certified public accountant or firm of certified public accountants, to the TWDB, as provided in Section 18.

F. The Issuer shall levy a tax and/or maintain and collect sufficient rates and charges to produce System revenues in an amount necessary to meet the debt service requirements of all outstanding debt obligations and to maintain the funds established and required by the Certificates, as provided in Section 11.

G. The Issuer shall use any loan proceeds evidenced by the Certificates that are determined to be “remaining unused funds”, which are those funds unspent after the Project (as approved by TWDB) is completed, for enhancements to the Project that are explicitly approved by the Executive Administrator of the TWDB or, if no enhancements are authorized by the Executive Administrator, the Issuer shall submit a final accounting and disposition of any unused funds. In determining “remaining unused funds”, the Issuer agrees to account for all amounts deposited to the credit of the Construction Fund, including all loan funds extended by the TWDB, all other funds available from the Project as described in the project engineer’s or fiscal representative’s sufficiency of funds statement, and all interest earned by the Issuer on money in the Construction Fund.

H. The Issuer shall use any loan proceeds evidenced by the Certificates that are determined to be “surplus funds” remaining after completion of the Project and completion of a final accounting in a manner as approved by the Executive Administrator.

I. For so long as the TWDB is a Holder of the Certificates, the TWDB may exercise all remedies available to it in law or equity, and any provision of the Certificates that restricts or limits the TWDB’s full exercise of these remedies shall be of no force and effect, as provided in Section 19.

J. Loan proceeds evidenced by the Certificates are public funds and, as such, shall be held at a designated State depository institution or other properly chartered and authorized institution in accordance with the Public Funds Investment Act, Chapter 2256, as amended, Texas Government Code, and the Public Funds Collateral Act, Chapter 2257, as amended, Texas Government Code, as provided in Section 26 and in the Escrow Agreement authorized in Section 37 and attached hereto, in substantially final form, as Exhibit B.

K. Loan proceeds evidenced by the Certificates shall not be used by the Issuer when sampling, testing, removing, or disposing of contaminated soils and/or media at the Project site. The Issuer agrees, to the extent permitted by law, to indemnify, hold harmless and protect the TWDB from any and all claims, causes of action or damages to the person or property of third parties arising from the sampling, analysis, transport, storage, treatment, and disposition of any contaminated sewage sludge, contaminated sediments and/or contaminated media that may be generated by the Issuer, its contractors, consultants, agents, officials, and employees as a result of activities relating to the Project.

L. The Issuer shall implement any water conservation program required by the TWDB until all financial obligations to the TWDB have been discharged.

M. The Issuer shall comply with any special conditions, if any, specified by the Issuer’s water conservation plan maintained in accordance with 31 TAC Section 375.43, as well as any environmental determination until all financial obligations to the TWDB have been discharged.

N. The Issuer shall comply with all conditions as specified in the final environmental finding of the Executive Administrator when issued, including the standard emergency discovery conditions for threatened and endangered species and cultural resources.

O. Prior to the Closing Date, the Issuer shall submit documentation evidencing the adoption and implementation of sufficient System rates and charges or, if applicable, the levy of an interest and sinking tax rate sufficient for the repayment of all System debt service requirements.

P. Prior to the Closing Date, and if not previously provided with the Application, the Issuer shall submit executed contracts for engineering and, if applicable, Financial Advisor and Bond Counsel contracts, for the Project that are satisfactory to the Executive Administrator. Fees to be reimbursed under the contracts shall be reasonable in relation to the services performed, reflected in the contract, and acceptable to the Executive Administrator.

Q. Prior to the Closing Date, the Issuer shall execute the Escrow Agreement, approved as to form and substance by the Executive Administrator, and shall submit that executed Escrow Agreement to the TWDB. The Escrow Agreement is authorized herein pursuant to Section 37 and attached hereto, in substantially final form, as Exhibit B.

R. The Issuer shall, if required by the Executive Administrator, execute a separate financing agreement in form and substance acceptable to the Executive Administrator.

S. The Issuer's Bond Counsel shall prepare a written opinion that states that the interest on the Certificates is excludable from gross income or is exempt from federal taxation. Bond Counsel may rely on covenants and representations of the Issuer when rendering this opinion.

T. The opinion of Bond Counsel shall also state that the Certificates are not "private activity bonds" within the meaning of section 141 of the Code and the Regulations and rulings thereunder. Bond Counsel may rely on covenants and representations of the Issuer when rendering this opinion.

U. The Issuer shall not use the proceeds of the loan evidenced by the Certificates in a matter that would cause the Certificates to become "private activity bonds" within the meaning of section 141 of the Code and the Regulations and rulings thereunder, as provided in Section 27C.

V. No portion of the proceeds of the loan evidenced by the Certificates will be used, directly or indirectly, in a manner that would cause the Certificates to be "arbitrage bonds" within the meaning of section 148(a) of the Code and the Regulations and rulings thereunder, including to acquire or to replace funds which were used, directly or indirectly, to acquire Nonpurpose Investments (as defined in the Code and Regulations) which produce a yield materially higher than the yield on the TWDB's bonds that are issued to provide financing for the loan (the *Source Series Bonds*), other than Nonpurpose Investments acquired with:

- (1) proceeds of the Source Series Bonds invested for a reasonable temporary period of up to three (3) years (reduced by the period of investment by the Purchasers) until such proceeds are needed for the facilities to be financed;

(2) amounts invested in a bona fide debt service fund, within the meaning of §1.148-1(b) of the Regulations; and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed the least of maximum annual debt service on the Certificates, 125% of average annual debt service on the Certificates, or 10% of the stated principal amount (or, in the case of a discount, the issue price) of the Certificates.

W. The Issuer shall take all necessary steps to comply with the requirement that certain amounts earned on the investment of gross proceeds of the Certificates be rebated to the federal government in order to satisfy the requirements of section 148 of the Code, as provided in Section 27H.

X. The Issuer shall not take any action that would cause interest on the Certificates to be includable in gross income for federal income tax purposes, as provided in Section 27B.

Y. The Issuer will not cause or permit the Certificates to be treated as “federally guaranteed” obligations within the meaning of section 149(b) of the Code, as provided in Section 27F.

Z. The closing transcript of the Issuer shall contain a “No Arbitrage Certificate” or similar “Federal Tax Certificate” setting forth the Issuer’s reasonable expectations regarding the use, expenditure and investment of the proceeds of the Certificates.

AA. The Issuer shall not use proceeds of the Certificates or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Certificates in contravention of the requirements of section 149(d) of the Code (related to “advance refundings”).

BB. The closing transcript shall include evidence that the information reporting requirements of section 149(e) of the Code will be satisfied, as provided in Section 27G.

CC. Neither the Issuer nor a related party thereto will acquire any of the TWDB’s Source Series Bonds in an amount related to the amount of the Certificates to be acquired from the Issuer by the TWDB.

DD. The Issuer shall submit outlay reports with sufficient supporting documentation on costs (e.g., invoices, receipts) on a quarterly or monthly basis in accordance with TWDB outlay report guidelines.

EE. All laborers and mechanics employed by contractors and subcontractors for the Project shall be paid wages at rates not less than those prevailing on projects of a similar character in the locality in accordance with the Davis-Bacon Act, and the US Department of Labor’s implementing regulations. The Issuer, all contractors, and all sub-contractors shall ensure that all project contracts mandate compliance with the Davis-Bacon Act. All contracts and subcontracts from the construction of the Project carried out in whole or in part with financial assistance made available by the TWDB to the Issuer as evidenced by the Certificates shall insert in full in any contract in excess of \$2,000 the contracts clauses as provided by the TWDB.

FF. The Issuer shall provide the TWDB with all information required to be reported in accordance with the Federal Funding Accountability and Transparency Act of 2006, Pub. L. 109-282, as amended by Pub. L. 110-252. The Issuer shall obtain a Data Universal Numbering System (*DUNS*) Number and shall register with the System for Award Management (*SAM*), and maintain current registration at all times during which the Certificates are Outstanding.

GG. All loan proceeds evidenced by the Certificates will be timely and expeditiously used, as required by 40 CFR §35.3135(d), and the Issuer will adhere to the approved project schedule.

HH. The Issuer shall abide by all applicable construction requirements related to the use of iron and steel products produced in the United States, as required by 31 TAC §375.3 and 33 U.S.C. §1388, and related State Revolving Fund Policy Guidelines.

JJ. the Issuer will comply with the requirements set forth in 33 U.S.C. §1382 *et seq.* related to maintaining project accounts containing financial assistance for planning, design, acquisition, or construction, as applicable, in accordance with generally accepted accounting principles. These standards and principles also apply to the reporting of underlying infrastructure assets.

KK. The Issuer shall submit, prior to the release of funds, a schedule of the useful life of the Project components prepared by an engineer as well as a certification by the applicant that the average weighted maturity of the Certificates purchased by the TWDB does not exceed 120% of the average projected useful life of the Project, as determined by the schedule.

LL. Prior to or on the Closing Date, the Issuer shall pay an origination fee to the TWDB calculated pursuant to 31 TAC Chapter 375 and the applicable Intended Use Plan, as provided in Section 26;

MM. At the TWDB's option, the TWDB may fund the financial assistance evidenced by the Certificates with either available cash-on-hand or from bond proceeds. If the financial assistance evidenced by the Certificates is funded with available cash-on-hand, the TWDB reserves the right to change the designated source of funds to bond proceeds issued for the purpose of reimbursing funds used to provide the financial assistance evidenced by the Certificates.

NN. Prior to release of funds for professional consultants including, but not limited to, the engineer, Financial Advisor, and Bond Counsel, as appropriate, the Issuer shall provide documentation that it has met all applicable state procurement requirements as well as all federal procurement requirements under the Disadvantaged Business Enterprise program.

## EXHIBIT E

### GENERAL POLICIES AND PROCEDURES CONCERNING COMPLIANCE WITH THE RULE

I. Capitalized terms used in this Exhibit have the meanings ascribed thereto in Section 30 of the Ordinance. “Certificates” refer to the Certificates that are the subject of the Ordinance to which this Exhibit is attached.

II. As a capital markets participant, the City is aware of its continuing disclosure requirements and obligations existing under the Rule prior to February 27, 2019, the effective date of the most recent amendment to the Rule (the “Effective Date”), and has implemented and maintained internal policies, processes, and procedures to ensure compliance therewith. Adherence to these internal policies, processes, and procedures has enabled underwriters in non-exempt negotiated sales and initial purchasers in non-exempt competitive sales to comply with their obligations arising under various MSRB rules and regulations concerning due diligence and findings of suitability, among other matters, regarding the City’s compliance with the Rule.

III. The City is aware that the Rule was amended as of the Effective Date (the *Rule Amendment*) and has accommodated this amendment by adding subparagraphs (15) and (16) to Section 30C of the Ordinance, which provisions are a part of the Undertaking.

IV. The City is aware that “participating underwriters” (as such term is defined in the Rule) of the Certificates must make inquiry and reasonably believe that the City is likely to comply with the Undertaking and that the standards for determining compliance have increased over time as a result of, among others, the United States Securities and Exchange Commission’s Municipalities Continuing Disclosure Cooperation Initiative and regulatory commentary relating to the effectiveness of the Rule Amendment.

V. The City now establishes the following general policies and procedures (the “Policies and Procedures”) for satisfying its obligations pursuant to the Undertaking, which policies and procedures have been developed based on the City’s informal policies, procedures, and processes utilized prior to the Effective Date for compliance with the City’s obligations under the Rule, the advice from and discussions with the City’s internal senior staff (including staff charged with administering the City’s financial affairs), its municipal or financial advisors, its legal counsel (including Bond Counsel), and its independent accountants, to the extent determined to be necessary or advisable (collectively, the “Compliance Team”):

1. the City Manager of the City (the “Compliance Officer”) shall be responsible for satisfying the City’s obligations pursuant to the Undertaking through adherence to these Policies and Procedures;
2. the Compliance Officer shall establish reminder or “tickler” systems to identify and timely report to the MSRB, in the format thereby prescribed from time to time, the City’s information of the type described in Section 30B of the Ordinance;
3. the Compliance Officer shall promptly determine the occurrence of any of the events described in Section 30C of the Ordinance;

4. the Compliance Officer shall work with external consultants of the City, as and to the extent necessary, to timely prepare and file with the MSRB the annual information of the City and notice of the occurrence of any of the events referenced in Clauses 2 and 3 above, respectively, the foregoing being required to satisfy the terms of the Undertaking;
5. the Compliance Officer shall establish a system for identifying and monitoring any Financial Obligations, whether now existing or hereafter entered into by the City, and (upon identification) determining if such Financial Obligation has the potential to materially impact the security or source of repayment of the Certificates;
6. upon identification of any Financial Obligation meeting the materiality standard identified in Clause 5 above, the Compliance Officer shall establish a process for identifying and monitoring any City agreement to covenants, events of default, remedies, priority rights, or other similar terms under such Financial Obligation;
7. the Compliance Officer shall establish a process for identifying the occurrence of any default, event of acceleration, termination event, modification of terms, or other similar events under the terms of any Financial Obligation, the occurrence of any of which reflect financial difficulties of the City; and
8. the Compliance Officer shall annually review these Policies and Procedures with the remainder of the Compliance Team, make any modifications on an internal document retained by the Compliance Officer and available to any “participating underwriter” (as defined in the Rule), if requested, and on the basis of this annual review (to the extent determined to be necessary or desirable), seek additional training for herself or himself, as well as other members of the City’s internal staff identified by the Compliance Officer to assist with the City’s satisfaction of the terms and provisions of the Undertaking.
