

ACTION ITEM REPORT

Item Title:

Consideration and ACTION to approve a contract with Cameron County Election Administration to conduct the early voting and election day voting for January 27, 2026 City Special Election.

Recommendation:

We regularly contract with the county elections office to conduct our elections. It is usually around \$17,000 depending on the number of other elections being conducted at the same time. The more elections the less the price. Since this is a special election, the city is the only one to bear all the costs. It is estimated the cost will be \$33,935 with a down payment of \$20,361.

I recommend approval.
