

## ACTION ITEM REPORT

**Item Title:** Consideration and ACTION to approve an amendment to the 2024-2027 Pest Control Service Agreement.

**Recommendation:**

When we bid the pest control services we included the building that was at the shooting range that we were getting rid of as it was not in good shape and we did not utilize it as it was too large. It was surplus and auctioned and moved away. We now have a smaller building. The change is dropping the old building, adding a smaller building at the shooting range, adding the new water plant lab and pump house at the water plant. The net result is \$50 per month additional for the next 6 months of the budget year or \$300. The prices stay within the norm of the original bid and are more than fair.

I recommend approval.
