

## ACTION ITEM REPORT

**Item Title:** City Manager Report A. Veteran's Memorial

**Recommendation:**

Veteran's Memorial: They are completing the lighting and working on some of the little items and should be done with those in a couple of weeks. We will be meeting on Monday to determine the process we will use to have the audio portion operational and how to update as needed. We will be working on that over the next 3 weeks or so. I am hoping the cleanup will be any day now. That leaves only the landscaping. They have asked we wait a month or up to 6 weeks so we can hit the planting season as this is not the best time to plant. I have agreed to that as long as they get everything else complete in the next 2 to 3 weeks.
