

ACTION ITEM REPORT

Item Title: City Manager Report A. Veteran's Memorial B. Economic Development Coordinator

Recommendation:

- A. Veteran's Memorial: Most items are complete. We will have a walkthrough for the project in the next 2 weeks. The recordings on each branch of the military are operational and have the corresponding song for each. We continue working on the narratives for each one. The grass is planted but it seems the architect miscalculated the amount needed. That will be addressed.

Once everything is complete we will work on a date for a "Grand Opening" event.

- B. Economic Development Coordinator: Began work on April 28
