

ACTION ITEM REPORT

Item Title: Consideration and ACTION to acknowledge the August 2026 Financial Report A. Monthly B. Year to Date Report C. Sales Tax

Recommendation:

Good evening, President and Board Members,

As of August 31, approximately \$43,000 remained available for September. September did not experience any significant spikes in budget needs, and expenditures remained within the anticipated levels.

Sales tax revenue was approximately 11% higher than the same period last year.

We will continue to monitor revenues and expenditures closely and provide updates as we move into the new fiscal year. Thank you.
