2. Consideration and ACTION to amend an agreement for Professional Engineering Services with Guzman & Munoz Engineering and Surveying, Inc.

Mr. Milum explained that approximately \$150,000 in remaining funds from the Highway 100, FM 1575, and Escalante Road Sewer Project could potentially be repurposed for lift station improvements. He stated that the City has been working with Jose Munoz of Guzman & Munoz Engineering and the Texas Water Development Board (TWDB) to obtain approval to

use the remaining funds to replace aging pumps at several lift stations. Mr. Milum noted that the upgrades would help reduce current and future operational costs associated with pump maintenance and replacement. He further explained that the proposed \$10,000 engineering services would cover obtaining TWDB approval, preparing specifications, soliciting bids, and overseeing construction.

Motion was made and seconded to amend an agreement for Professional Engineering Services with Guzman & Munoz Engineering and Surveying, Inc.

Motion made by Place 2 Gonzales, Seconded by Place 1 Escobedo.
