Recommendation:

This request for annexation is property on Stanford Road just east of FM 1575. They want to develop single family homes. If approved for annexation, the engineer for the developer will provide the plans for the development to be submitted to the Planning & Zoning Commission and then ultimately the City Council. The developer will pay for the extension of wastewater, including upgrades to the Whipple Road Lift Station that the Council previously approved, drainage, streets, etc., as required by city ordinance. Water in that area is served by East Rio Hondo Water Supply.
