Hello Jocelyn,

As a long time resident and Whole Foods patron I wanted to give you my thoughts on the upcoming proposal for the new location. I'm very much in favor of the move for the following reasons.

- Parking is very crowded.
- The food court is too small ,especially at lunch time.
- Aisles are too tight when busy.
- Not enough tables at busy times.

I believe the new location will be a win-win for Los Gatos as well as Whole Foods.I look forward to the planning commission's approval to allow this move for Whole Foods.

Thanks,

Dave Stege
