

RESOLUTION 2025-

RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF LOS GATOS ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2025/26 FUNDED BY THE STATE SENATE BILL 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our Town are aware of the projects proposed for funding in the community and which projects have been completed each fiscal year; and

WHEREAS, the Town must adopt by resolution a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the Town will receive an estimated \$1,831,518 in RMRA funding in Fiscal Year 2025/26 from SB 1; and

WHEREAS, this is the ninth year in which the Town is receiving SB 1 funding and will enable the Town to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the Town used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the highest priority and cost-effective projects that also meet the communities' priorities for transportation investment; and

WHEREAS, the funding from SB1 will help the Town maintain and rehabilitate streets throughout the Town this year and similar projects into the future; and

WHEREAS, the 2021 California Statewide Local Streets and Roads Needs Assessment found that the Town’s streets and roads are in a “good” condition, and this revenue will help increase the overall quality of the road system, and over the next decade, will bring Town streets and roads into a good condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure, with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials, and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE, BE IT RESOLVED: The foregoing recitals are true and correct, and the following list of projects will be funded in part or solely with Fiscal Year 2025/26 Road Maintenance and Rehabilitation Account revenues:

<i>Base Bid</i>					
Street	Begin Location	End Location	Treatment	Estimated Useful Life of Treatment	Construction Schedule
