Hello,

I am the owner of [REDACTED], which is the property next door to Alireza and Shadi. My wife and I had a nice meeting with them regarding their new house plans, and we are fully supportive of their new house. We are very excited for them, and wish for you allow them to proceed exactly as planned. The new house with our new neighbors will be a welcome addition for our street and neighborhood.

Respectfully yours,

Robert L. Gore
