DATE: May 24, 2024
TO: Parks and Sustainability Commission
FROM: Nicolle Burnham, Parks and Public Works Director
SUBJECT: Receive a Presentation on Proposed Donation from the Los Gatos Rotary to Live Oak Manor Park and Recommend that Town Council Accept the Proposed Donation

RECOMMENDATION:

Receive a presentation on proposed donation from the Los Gatos Rotary to Live Oak Manor Park and recommend that Town Council accept the proposed donation.

DISCUSSION:

Los Gatos Rotary has proposed to donate improvements at Live Oak Manor Park in celebration of the Rotary centennial. Staff has discussed this project with Rotary and reviewed concept plans. The proposed improvements would provide native habitat and a shaded walkway to an underutilized area of the park. They are also located in an area where two large trees were lost during the winter 2023 storms.

Rotary representatives and their design consultant will present concept plans (attachment 1). Staff is requesting that the Parks and Sustainability Commission consider the proposal, ask questions and, if comfortable with the concepts, recommend that staff bring the proposed donation forward to Town Council.
