[EXTERNAL SENDER]

Hello,

My name is Jennifer Lambert and I've lived in Los Gatos and Monte Sereno for the last 23 years. I'm writing in complete support of the proposed ordinance restricting concealed carry of firearms in sensitive places.

I'm grateful the Los Gatos Town Council is taking action for gun safety, and I'm actually surprised a law isn't in place already.

This ordinance is important to me because we should be able to feel safe in all places but especially in places where children often visit. I think it's important that we treat guns as dangerous weapons that shouldn't be allowed in public places for the safety of all people.

Thank you,  
Jennifer

[EXTERNAL SENDER]

Hello,

As a resident of Los Gatos since 2000, it is very important to me that the town is as safe as possible for my neighbors, friends and family. I am concerned about the proliferation of guns in America and believe that steps must be taken to regulate the access and use of such weapons. I am grateful that the Los Gatos Town Council is taking action for gun safety by proposing an ordinance restricting concealed carry of firearms in sensitive places. Please approve this important ordinance and take a step toward protecting our town.

Regards,  
Amy Korb
