

**TOWN OF LOS GATOS
COUNCIL AGENDA REPORT**

MEETING DATE: 06/20/2023

ITEM NO: 12

DATE: June 12, 2023
TO: Mayor and Town Council
FROM: Laurel Prevetti, Town Manager
SUBJECT: Receive the Monthly Financial and Investment Report (April 2023).

RECOMMENDATION:

Receive the Monthly Financial and Investment Report (June 2023).

DISCUSSION:

California Government Code Section 41004 requires that the Town Treasurer submit to the Town Clerk and the legislative body a written report and accounting of all receipts, disbursement, and fund balances. The Finance Director assumes the Town Treasurer role. Attachment 1 contains the April 2023 Monthly Financial and Investment Report which fulfills this requirement.

The Finance Commission will receive this report on June 22, 2023 at a special meeting as its regular meeting was cancelled due to lack of a quorum.

Attachment 1 includes a Fund Balance Schedule, representing estimated funding available for all funds at the end of the April 2023. The fund balances are estimated at a point in time and will be finalized at the final close of the fiscal year.

Please note that the amount in the Fund Schedule differs from the Portfolio Allocation and Treasurer's Cash Fund Balances Summary schedule because assets and liabilities are components of the fund balance. As illustrated in the summary below, Total Cash is adjusted by the addition of Total Assets less the amount of Total Liabilities to arrive at the Ending Fund Balance – which represents the actual amount of funds available.

DISCUSSION (continued):

As of April 30, 2023, the Town's financial position (Assets \$84.3M, Liabilities \$27.0M and Fund Equity \$57.3M) remains strong and there are no issues meeting financial obligations in the near future.

Reconciling Cash to Fund Balance		
Total Cash	\$	74,868,304
Plus: Assets	\$	9,451,020
Less: Liabilities	\$	(26,974,112)
Estimated Fund Balance	\$	57,345,212

As of April 30, 2023, the Town's weighted portfolio yield for investments under management was 2.77% which was below by 10 basis points the Local Agency Investment Fund (LAIF) yield of 2.87% for the same reporting period. Currently the LAIF portfolio's weighted average maturity (WAM) is 268 days versus the Town's longer WAM of 385 days. The longer maturity (WAM) for Town assets under management reflects the Town's strategy to take advantage of higher yields associated with longer maturities balanced with shorter term yields available on investments held with the State's LAIF. The Town's weighted average rate of return on investments under management of 2.77% at the close of April was 6 basis points higher when compared to the prior months return of 2.71% reported as of March 31, 2023.

Since December 31, 2022, LAIF yields had climbed from 217 basis points (2.17%) to 2.87 basis points (2.87%) through the end of April 2023.

Staff, in coordination with the Town's investment advisor, continued primarily replacing maturing investments with shorter to medium term maturities in the two- to three-year maturity range. These investments capture current yields that exceed the rates expected to be earned in the LAIF pool during that same time period. The State LAIF pool typically lags the market when current market yields are either increasing or decreasing.

On March 22, 2023, the Federal Reserve voted to approve a ¼ percentage basis point increase from 4.75% to 5.00%. This action was followed with an additional hike in May 2023 from 5.00% to 5.25%. Through these actions over time, the Federal Open Market Committee's (FOMC) goal is to bring year to year inflation to its targeted level of 2%. The labor market showed signs of loosening. Job openings fell to the lowest level since March 2021, albeit they remained well above pre-pandemic levels. Temporary workers saw the most job losses (and are considered the first to lose their jobs when the labor market turns). Wage growth fell from 4.6% to 4.2%, the lowest since June 2021, however, the unemployment rate fell from 3.6% to 3.5%, despite an uptick in the participation rate.
