Subject: In favor of the Ordinance Enacting a Temporary Moratorium on Evictions

Thank you for your proactive agenda item to protect persons from eviction. Many residents will be losing their jobs in the coming months. As a public school teacher for San Jose Unified School district, I have been ensured that I will be paid for the remainder of the year, but there is uncertainty for what will happen to public education in the fall. I am very hopeful, that public school teachers will not be laid off, but of course it is a concern. I am a resident of the Mira Loma Apartments in Los Gatos and have a month to month lease. I am very happy here and want to stay. If I am laid off, it would take me time to move and most likely would have to move away from California.

Again, thank you for being a council that cares for all Los Gatos residents and please vote in favor of this ordinance.

Sincerely,

Rebecca A. O'Connor

Subject: Comment on Temporary Moratorium on Evictions related to Covid-19

Dear Members of the Town Council,

I would like to express my support for the Interim Urgency Ordinance that would place a temporary moratorium on residential evictions in Los Gatos. Thank you for considering the difficulty people living in our town might have due to lost income during this stressful time.

Best,

Kjirste Morrell
