FISCAL IMPACT:

The adopted FY 2026–27 Operating Budget includes sufficient appropriations in the Town Council budget to cover these conference expenses.

STRATEGIC PRIORITY:

There is no direct strategic priority associated with this action.

BACKGROUND:

Each year, the League of California Cities holds an annual conference to address key legislative, social, fiscal, and service issues affecting California municipalities. A key component of the conference is the annual business meeting, where League members take action on proposed resolutions. These resolutions help guide cities and the League in efforts to improve the quality, responsiveness, and vitality of local government in California.

DISCUSSION:

The League of California Cities Annual Conference is scheduled for September 23-25, 2026, in Anaheim. The General Business Meeting is scheduled for Friday, September 25, 2026, at the Anaheim Convention Center.

To better facilitate the voting process during the annual business meeting, participating cities and towns are asked to designate a primary voting delegate and, optionally, an alternate if the primary is unable to attend or perform voting duties. The voting delegate is typically the Town's appointed representative or alternate. Vice Mayor Rob Moore and Mayor Matthew Hudes, who will be attending the conference, have agreed to serve as the Town's voting delegate and alternate, respectively.

It has been the Town's past practice to have the appointed voting delegate determine the Town's position based on resolution discussion and feedback at the League Annual Business Meeting.

ENVIRONMENTAL ASSESSMENT:

This action is not a project as defined under the California Environmental Quality Act.
